

Nittany Trackmen Prepare For Penn Relay Contest

Even though the official opening of the Spring track season is two and a half weeks off, the Penn State track team is training vigorously for the Penn Relays April 23 and 24.

The Relays, the traditional opening event in Eastern track circles, has a list of almost 500 schools with 3000 athletes prepared to participate in the two-day competition.

"Last year we took the four-mile relay," said Coach Chick Werner, "and since only one man of the four who entered is missing, we are heavily favored to repeat our win." Slated to run in the relay are Jerry Karver, Horace Ashenfelter and Bill Shuman from last year's squad, plus either Mitch Williams, John Bates, Don Longenecker or Bob Auman.

"Another event, the distance medley relay, should be one of our strong points," he continued. "This winter at the Michigan State Relays our team of Karver, Ashenfelter, Shuman and Ike Evans set a field house record of 10:20.3 for the two and one-half mile run. This is the best time, to my knowledge, of any college team this year."

Nittany runners will probably compete in two other distance runs, the two-mile relay, and the one-mile relay.

In the sprint department, Coach Warner has Jim Robinson, Rea Carroll, Wil Lancaster, and Jim Gehrdes. These men will compete in the quarter and half mile sprint relays.

Robinson and Lancaster will also compete in the invitation 100-yard dash while Gehrdes and Bob Harrison will run in the 120-yard high hurdles.
