A complaint will be made against the Lion Party for dropping leaflets from an airplane if investigation justifies it, according to George W. Ebert, superintendent of grounds and buildings. The leaflets were spread yesterday morning, and one group landed near McAllister Hall.

### Permit Obtained

A permit for dropping the slips was obtained from the borough for \$5, according to John Cameron, Lion campaign manager, and it was believed that the action was legitimate. No permission was granted by the grounds and buildings department, Mr. Ebert said, and College regulations require him to deny such requests.

Action on the incident may be taken at a meeting of the Elections Committee tomorrow night, said William Staley, chairman.

## WHY... I smoke Chesterfield

(FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS)

"Chesterfield is my brand. I've been smoking them for about 16 years. I like them because they're mild and really satisfy. I know the kind of tobacco that's in them... it's the best.

"Chesterfield buys the best grades of tobacco. It's mild, light, ripe, sweet-smoking tobacco. They pay the highest prices for their tobacco. It's top quality leaf."
