**Thielmen Down Hobart, 9-3
For Lions' Third Victory**

By Ed Watson

The Blue and White lacrosse team spoiled Hobart College's 50th anniversary opener yesterday afternoon on New Beaver Field by trouncing the Statesmen, 9-3. It was the Lions' third straight win.

Jarrin' John Nolan led the Nittany attack with 5 goals, while "Bugs" Baer sent 3 between the posts, and Rocco Iannetta tallied one.

The Thielmen grabbed the lead at the 5½-minute mark in the first period, when Baer sent a shot past Jack Frenaye, Hobart goaltender. Four minutes later, Nolan flashed one into the net. At the end of the first quarter, State led, 2-0.

Baer tallied his second point after a minute and a half of the second period had gone by on a long shot from about twenty-five yards out. Shortly afterwards, Nolan dropped a shot in from directly in front of the goal.

HOBART SCORES

The Lion defense held the Statesmen scoreless until one minute before the half was over, when Gordon Satterley scored on a melee in front of the Blue and White goal. Captain Bill Hollenbach blocked Satterley's first bid for a score, but the ball bounded free, and Satterley shoved it through.

The Lions came roaring back at the start of the second half. Joltin' John Finley missed a shot from in front of the net, but Nolan scored his third point immediately afterwards from the right side of the goal.

Mike Cecere, Orange and Purple defenseman, scored Hobart's second point by running the length of the field and firing the ball past Hollenbach.

SMITH

Nolan tallied two straight points in the fourth quarter to make the score read, 7-2, in favor of the Lions. The first was a jump-shot from in front of the goal after he had received a pass from Art Lorenz. Nolan scored the second on a beautiful pivot shot.

Baer, on an assist from Lorenz, dumped his final point in from the left side, but Hobart's Bob Weymouth retaliated with the Statesmen's last goal. Rocco Iannetta zipped the ball past the Hobart goalie at the 11-minute mark for the Thielmen's final point.

Hollenbach played a brilliant defensive game for the Nittanians, as did the Orange and Purple's Frenaye. However, it was State's all-around speed both on offense and defense that was the deciding factor.

"Murph" Szadziwicz and Tom Smith also shone on the defense for the undefeated Lions, while Baer did an excellent job of setting up the Blue and White offense.

CORNELL

The State stickmen will seek their fourth straight victory on Saturday afternoon, when they meet Cornell at New Beaver Field. Starting time is 2 o'clock.

Cornell's Big Red will be after their first victory of the campaign. Last Saturday, the Ithacans were soundly trounced by RPI. The score of the game was 12-1. The Thielmen defeated the Big Red lacrossers in last year's tilt.

Trackmen Depart For Penn Relays

Eighteen track and field men will leave State College tonight to represent the Nittany Lions at the two-day University of Pennsylvania Relay Carnival at Franklin Field.

Favorites in the four-mile relay and the distance medley relay, the Wernermen will open their part of the field competition at 3 p.m. Friday in the discus throw. Dave Pincus, third place winner of last year's meet, heads the "plate" spinners, with Barclay Moyer and Dan Pearson filling out the three man squad.

In the shotput event, Keith Shearer will join Moyer and Pearson in throwing the 16-pound ball. Shearer, a newcomer on the squad's roster, has improved greatly since the first practice and will push Moyer, Middle Atlantic AAU champ, for the number one spot.

QUARTER MILE

Track competition will start with a quarter-mile relay. Jim Robinson will take the first stretch, Don Harris will run the turn, Rea Carroll will take the third 110-yards and George "Red" Thomas will run in the anchor spot.

With Jerry Karver running the mile in the distance medley relay, the College runners are listed among the top teams in that race. Paul Koch will run the quarter, Mitch Williams the half and Bill Shuman, the three-quarter distance.

Horace Ashenfelter is listed to run in the twilight two mile race. (Continued on page seven)

"I SAY IT'S A NEW RECORD. DAUGHERTY, A NEW RECORD!"

Between the Lions

By Elliot Krane

A "condensed program," measuring 43½ inches by 5 inches and printed on both sides, arrived in Wednesday's mail heralding one of the largest and longest track meets in the nation, the Penn Relays.

Eighty-one events are listed on the more than a meter long agenda. Included will be ten special events, eight American championships, six high school championships, one prep school relay, two junior high school runs, a parochial school race, a high school conference championship and an elementary school race.

What does all this data mean to Penn State and its track team? It means that out of the 481 competing schools listing over 3,000 athletes, the Nittany Lions are slated to emerge victorious in at least two categories.

FOUR-MILE RELAY

Defending the four-mile relay title won last year at the relays, the Lions are heavily favored to repeat their earlier conquest. Only Curt Stone is missing from the team of Jerry Karver, Horace Ashenfelter, Bill Shuman and Stone, 1947 champs.

Another distance run, the distance medley relay, is scheduled to succumb to the Lion with Mitch Williams, Karver, Shuman and Ike Evans or Ashenfelter donning the spikes for the two and one-half-mile stint.

While the Nittany runners are favored to win these events, the other schools are far from sitting back and letting Penn State steal the show.

Up New York way George Eastman's Manhattan team poses a speedy half-mile relay team in Bill Kent, John Gorman, John Quigley and Joe Cianciabella, and their city brothers, NYU, are priming to defend their mile and sprint medley relay titles won last year.

PINNED ON PEARMAN

NYU Coach Emil Von Elling, pinning his hopes on Reggie Pearman, Olympic prospect, will send Pearman, plus John Nelson, Hugo Maiocco and Jim Gilhooley into the mile relay and the same lineup into the sprint relay.

Irving Mondsche in the broad and high jump completes the Violets' "good bet" roster, and Columbia's Bill Vessie in the high jump rounds out the New York candidates for relay fame.

Swinging to the service teams, an aggregation of football "names" holds sway for the Cadets and Midshipmen. All American guard Joe Steffy is listed for the shotput for Army, while E. Newbold Smith and Dick Scott are slated for Navy in the discus throw.

Two other Army aces, John Hammack and George Sylvester, are signed up for the 440 relay and shuttle hurdle race.

Record-breaking Charles Fonville, Michigan shotputter, will take the spotlight Friday afternoon at the Franklin Field carnival. Just last Saturday Fonville smashed the world record of 57 feet 1 inch set in 1934 by Jack Torrence of Louisiana by tossing the 16-pound shot 58 feet ¼ inch.

On Feb. 21 the Michigan Marvel topped the world indoor record by flinging the ball 56 feet 10½ inches at the Michigan State Relays. The giant blue and gold star will try for a new record Friday to insure his almost certain berth with the Olympic team.

Fourteen other trackmen from Michigan will be out to take other trophies in six other events.

PENN'S ROSTER

Everyone, including the host team, the University of Pennsylvania, will get into the act either Friday or Saturday in the 14-hour melee. Penn's team, headed by 400-meter champ Jeff Kirk, will enter the sprint and distance medleys, the 440, 880, one-mile relay, two-mile, four mile, freshman mile relay and the 480 shuttle hurdle race.

On the international scene, the University of Western Ontario's mile relay team will compete for the championship of America. Four Canadian intercollegiate champs, who lowered the mile relay record in Canada, are listed to go to the starting line against some of the best American relay teams in the country.

46 FROM CORNELL

Fortysix men from Cornell will try to capture the meet trophies for force of numbers. Teams in all major relay events from the 440 sprint relay to the 4-mile distance relay are listed in Coach John Moakley's roster.

From the University of New Hampshire to MacDill Field, Florida, and from San Antonio, Texas, to Princeton, New Jersey, athletes from 12 to 35 will gather at Franklin Field, Philadelphia this weekend to compete in the gala-star-studded Penn Relays.
