Old Sol Shines; Coeds Burn; Summer

Old Man Sol shone out with all his brightness yesterday and today coeds, also, are exhibiting a bright and shiny red glow.

It was the first real summer day and dorm roofs, courts, and secluded grassy plots found themselves covered with coeds eager to get that "red-beet look."

But don't get discouraged fellows it happens every year. Predictions are this year's period will last for about the next two weeks before that mellow brown complexion takes over.

Leon M. Myers was recently initiated into Alpha Epsilon Pi.

Globisch Sisters Perform At F & M Water Carnival

Swimming a duet, performing back porpoises and underwater precision feats, Marilyn and Pauline Globisch, the former having graduated from the College in 1946, the latter at present a junior, recently starred in a water show at Franklin and Marshall College, Lancaster.

The show, titled "Aquacado," was witnessed by 1400 persons at its three performances last month. Sponsored by the F & M chapter of Blue Key, the show revived a war-interrupted tradition which had not been observed since 1941.

Marilyn, valedictorian of her class and Harvest Ball Queen, was co-director of the girls' Corps De Ballet in addition to her activities under the spotlight. Physical education instructor at the John Reynolds High School in Lancaster, she is engaged to Ray Smith, F & M lacrosse coach.

Pauline was recently elected president of WRA. She is also a member of Cwens, Mortar Board, Lakonides, and Chapel Choir. Both girls belong to Alpha Chi Omega sorority, and reside in Lancaster.

With six scenes, the 1948 Aquacado presented a water review starting with the traditions and customs which prevailed at Franklin and Marshall during the 1890's. Working its way through the years up to the present time, the show included a fashion parade of this summer's beach apparel. The Aquabelles, girls' ballet group, performed in a number entitled "Radio Active Century."

Aquacado drew its inspiration from Billy Rose's Aquacade at the New York Worlds Fair. It was originally performed in 1940.

Dean To Meet Senior Women In Interview

It is imperative that all graduating senior women attend a mass meeting in 10 Sparks at 4 o'clock today, announced Miss Ellamae Jackson, assistant to the Dean of Women.

The purpose of the meeting is to interview each girl in order that her personnel card may be completed.

In previous years the Dean of Women interviewed each graduating senior personally relative to graduation so that she might complete this card. However, this year there are nearly four hundred graduating seniors, making such a task impossible.

Each coed in the graduating class must be present at this meeting, otherwise it will be necessary for her to have a personal interview before graduation.

Excuses will be given by the Dean of Women's office to miss any classes which may be scheduled at that time, Miss Jackson said.
