Clay to Report On Berlin Crisis

BERLIN — General Clay, the American Military Governor, is coming home to report on the Berlin situation. The State Department has discounted Russia's claim that she will send large quantities of grain to the western zones of Berlin. The American officials say that it is only propaganda and point out that the food would be sold only to persons with Russian sponsored currency.

Nations Oppose Force

THE HAGUE—The five nations of the Western European Union are understood to be opposed to any show of force against Russia in Germany. Britain, France, Belgium, Holland and Luxembourg have been meeting at The Hague, and their conciliatory attitude toward Russia has been reliably reported.

Stock Market

NEW YORK — The New York stock market executed a quick about-face today and rallied after the drastic losses of the past three trading days.

Steel Price Rise

NEW YORK — United States Steel has announced price increases on finished steel products. This was predicted when the company granted wage increases to its employees.

Selsam Begins European Tour

Dr. J. Paul Selsam, professor and head of the department of history at the College, will sail for Europe on the S.S. Marine Tiger. He will serve as director of the orientation staff for the ship which will carry students and teachers to Europe.

The work is a part of the student exchange program, sponsored by the Department of State, and is under the immediate supervision of the American Friends Service Committee.

After spending the month of August on research work in Paris, Dr. Selsam will sail from Le Havre on August 31 with a large group of American students and teachers who will have spent the summer in various countries of Europe.

Police Issue Parking Rules

A new traffic regulation restricting the parking of vehicles on W. College avenue has been issued by the State College police department.

Signs have been posted on the south side of W. College avenue from S. Sparks street to the western limits of the borough, prohibiting parking along that side of the thoroughfare.

Present regulations as a result of the latest change prohibit vehicle parking from the traffic light at Atherton street westward to the borough line.

Purpose of the extension is to halt congested conditions for W. College avenue traffic, police explained.

Truman Sets Draft Dates

Draft registration for persons born in 1922 after Aug. 30 will start Aug. 30, according to a proclamation issued yesterday by President Truman.

The proclamation also sets the following dates for the registration of other youths between the ages of 18 and 26:

1. Persons born in the year 1923: Aug. 31 and Sept. 1.
 2. Persons born in 1924: Sept. 2 and 3.
 3. Persons born in 1925: Sept. 4 or 7.
 4. Persons born in 1926: Sept. 8 and 9.
 5. Persons born in 1927: Sept. 10 and 11.
 6. Persons born in 1928: Sept. 13 and 14.
 7. Persons born in 1929: Sept. 15 and 16.
 8. Persons born in 1930 before Sept. 19: Sept. 17 and 18.
- Boys born on or after Sept. 19, 1930, under the proclamation, will be registered on the day they are 18 years old or within five days thereafter.

Nothing in the proclamation indicated when actual inductions into the armed services will begin. By law, the draft cannot start until Sept. 22. That is 90 days after President Truman signed the Selective Service Act.

Selective officials may make their first draft grab at 25-year-olds—who otherwise would be ineligible after one more birthday.

Passed by Congress last month, the draft law requires men 18 through 25 to register, although none can be drafted until reaching 19.

Starting today, 18-year-olds can avoid the draft by enlisting for one year and then serving for a longer period in the reserves.

Following dinner there will be dancing until 11:30.

Ticket sales have been closed. Dress will be informal.

Radio Album Star Presents Concert

Third Program in Series Features Margaret Daum

Lyric-soprano Margaret Daum, who will be heard in Schwab Auditorium at 8:30 o'clock tomorrow night as the third performer of the Summer Artists Series, is the star of the Sunday night radio program, "The American Album of Familiar Music."

Opening with "Ava Maria," Miss Daum's program includes "Prelude in A minor" by Debussy, "None but the Lonely Heart," "I'll See You Again," "Make Believe" and several other songs.

A native of Pittsburgh and a graduate of Ithaca College of Fine Arts, she began her professional career by singing on the radio with Dick Powell. She is national president of the Ithaca College Alumni Association and a member of the college's board of trustees.

Miss Daum has also starred in another regular radio show, the Stroh Broadcast, from Detroit every Tuesday, for more than six years. She has appeared at Radio City Music Hall and the Metropolitan Opera.

The first opera exclusively for radio, "Old Maid and the Thief," was written especially for Miss Daum by Gian-Carlo Menotti. He also chose her to first create the title role in his opera "Amelia Goes to the Ball."

She was starred in the first televised operetta, "Pirates of Penzance," which was also the first full television feature presented

in this country. She has sung in all the Gilbert and Sullivan operettas, and in "Showboat," "Robin Hood" and "The Student Prince."

The blonde singer creates her own clothes, including her concert gowns, and hats. Her New Jersey country home contains more of her work—draperies, curtains and bedspreads. Gardening and deep-sea fishing are her favorite outdoor sports.

VA Renews Insurance

Veterans were reminded today by the Veterans Administration that July 31 is the last day for reinstatement of lapsed National Service Life Insurance on a comparative health basis.

Before August 1 an eligible veteran may reinstate any amount of term insurance—from \$1,000 to \$10,000 in multiples of \$500—regardless of the length of time it has been lapsed, and usually without physical examination.

He need only fill out a simple application form, in which he certifies that his health is as good as when the policy lapsed, and pay premiums for two months.

The privilege of reinstating on this basis will be available after July 31 only to veterans whose policies have been lapsed for less than three months.

Where the period of lapse is three months or longer, the veteran will be required to take a physical examination and qualify as an insurance risk, VA said.

Full information can be obtained at the VA offices on campus, or by writing the Regional Insurance Officer, 19 N. Main street, Wilkes-Barre.
