

Booters Prep for Tilt With Army Soccermen

With the Lion's soccer inaugural only nine days away, Coach Bill Jeffrey's booters have settled down to long practice sessions daily in preparation for Army's soccermen.

The veteran Scotsman hopes to better last year's record of five wins, two losses and one tie. Spearheading the Lions are ten returning lettermen from last season plus five varsity 'S' winners from the 1945 campaign.

The Hosterman one-two punch will be absent from the soccer field this fall as high scoring Ken, who was injured in the Penn game last season, will have to watch the games from the sidelines.

Hosterman

His broken leg has healed very slowly and he was advised by physicians as well as by Jeffrey to wait until next year before starting to boot the leather around again.

RALPH BACK

Back to spark the Blue and White's offense will be his brother Ralph. He is now playing his third year under Jeffrey's tutelage.

Team captain Dean Witmer, last season's second highest scorer, showed improvement in practice last spring and great things are expected from him this fall.

The Lions, who play a nine-game slate this year, added a newcomer to their schedule. On October 23, when the Jeffrey men square off against Maryland, it

will be the first time in the history of the two schools that they have met on the soccer field.

Jeffrey recently stated, "Temple was the best team I saw play last year and Maryland beat them. I think the Maryland boys definitely were the best team in the East last year so we'll really something to strive for if we want to beat them."

SOCCER RECORD

Holder of a soccer record that has never been surpassed in collegiate annals, Bill Jeffrey's 22-year tenure at the College has produced an amazing total of 89 wins against only 17 losses. Twenty contests ended in ties.

Between 1926 and 1946 the Lions played a total of 118 games, winning 84, losing 15 and tying 19. The average score per game for the Jeffrey men was 3.3 to the opponents' .78.

"The war years were pretty hard on our record," said Jeffrey. "In the 17-year stretch from 1926 to 1941 we only lost six games while in the five years between 1941 and 1945 we lost nine games."

Nolan Captures Third-Team Spot on Lacrosse All-America

Johnny Nolan, twice winner of all-America lacrosse mention, was named to the third team in the 1948 all-America selections announced last week by a committee of 26 coaches and officials, working under the direction of Freddy Fitch, chairman.

Nolan, who captained the Lion lacrosse team as a junior and who was also a standout in football, graduated last June. He served as co-captain of the undefeated 1947 gridiron eleven.

In naming Nolan to the third-team lacrosse selections, Fitch commented:

"John Nolan of Penn State is another great big footballer particularly well cut out for lacrosse. Lacking finesse he proved that one willing to 'go through' was

Thiel Lists Physical Ed Requirements for Sophomores

All non-veteran sophomore transfer students are required to take one year of physical training, announced Glenn N. Thiel, associate professor in charge of required physical education for men, yesterday.

All non-veteran sophomores are required to take a swimming test during orientation week and those failing this test will be required to schedule swimming for three hours a week until they are able to pass the required tests.

The School of Physical Education encourages all incoming male students to try out for varsity sports at Penn State. Since there are no freshmen on campus

a junior varsity program was started and those students who are unable to make the varsity have a chance to play on the jayvees.

The future success of the College athletic program depends upon the support of the incoming sophomore class each year.

All students who are out for a varsity or junior varsity sport are automatically exempt from all physical education classes.

All non-veteran sophomore men who are transferring to the campus this fall should be sure to bring with them gym shoes, socks, supporter, T-shirt and sweat suit.

Each male student who is enrolled in a physical education class must obtain a towel and basket deposit card at the Bursar's office in Old Main. The card costs \$2. This money is refunded at the end of the year if the student returns the towel and lock to the stock room in Rec Hall.

This ticket also entitles the student to free towel service all season as well as the use of athletic equipment in Rec Hall.

Lots of Golfers

A total of 72 entrants competed in the Summer Sessions golf tournament. Bill Gross was named titlist in the first flight of players after an elimination-qualifying round.

Lion Gridmen—

Continued from Page Four

Sam Tamburo and Bob Hicks are almost sure starters on the Blue and White eleven while Dennie Hoggard, who just missed an end zone pass in the Cotton Bowl classic, will interchange with Tamburo and Hicks at end.

12 SOPHS

Unknown as far as the Nittany fans are concerned, 12 sophomore gridgers were recruited to join the varsity during the opening drills. Five backs, Vince O'Bara, of Johnstown; Tony Orsini, of Hummelstown; Owen Dougherty, of Dunmore; Herb Kurtz, of Connelville, and Francis Smutney, of Gibsonia, will try for positions on the squad while the other sophs will form a jayvee squad which will start drills later this month.

The linemen picked from the sophomore ranks are Bill Durkin, of Altoona, and John Smidansky, of Munhall, ends; Tom McDermott, of Pittsburgh, Charles Godlasky, of Osceola Mills, and Anthony Shumskas, of Mahanoy City, tackles; and Val Troy, of Pittsburgh, and Pete Chiesa, of Johnsonburg, guards.

How high can you go

IN THE U. S. AIR FORCE?

The ceiling's unlimited! Men who enter the Air Force as Aviation Cadets become 2nd Lieutenants within a year. From there on, they can climb as far and as fast as their ability and the needs of the service permit. Under the Air Force expansion program, there is plenty of room for advancement. 2nd Lieutenants automatically become 1st Lieutenants after three years of service; are eligible to become Captains, Majors and Lieutenant Colonels after 7, 14 and 21 years respectively. More rapid promotions are frequent. Never before has the opportunity for making the Air Force a permanent career been so favorable, especially to the men in Aviation Cadet Pilot Training.

Here are the requirements:

Appointment to the Aviation Cadets is open to single men, between 20 and 26½ years old, who have completed two years of college (or can pass an equivalent examination). Upon graduation, Cadets receive their wings and commission, a \$250 uniform allowance, and three-year active duty assignment with pay up to \$336 a month. Get full details at any Air Force Base or at any U. S. Army and U. S. Air Force Recruiting Station.
