## Tribe Trims Sox 8-3 To Gain Series Berth

Sparked by the hitting of Manager Lou Boudreau and the effective hurling of Gene Bearden, rookie southpaw, the Cleveland Indians trounced the Boston Red Sox 8-3 before 33,000 fans at Fenway Park in Boston yesterday afternoon in the first playoff game in American League history.

Bearden, working with only one day's rest, set the Bosox sluggers down with five scattered hits to pitch his mates into the World Series which opens in Boston tomorrow.

**Perfect Day**  
Boudreau had a perfect day at bat, collecting four hits and a walk in five trips. Two of his blows were home runs, each time with the bases empty.

Ken Keltner also hit for the circuit with two mates aboard in the big fourth inning in which the Indians pushed across four tallies.

For the losers Bobby Doerr slammed a round-tripper into the leftfield screen with Ted Williams aboard in the bottom half of the sixth.

**No. 20 for Bearden**  
Bearden, who went the distance for the Tribesmen, was given credit for his twentieth win while veteran Denny Galehouse was charged with the loss. Ellis Kinder relieved Galehouse in the fourth inning.

Score by innings: R H E  
Cleveland 100 410 011—8 13 1  
Boston 100 802 000—3 5 1  
Batteries: Bearden and Hegan; Galehouse, Kinder (4), and Tebbets.

Single admission tickets are priced at \$1 including tax while a ticket for the entire lecture series may be purchased for \$3 including tax.

The purpose of the Community Forum is to present to the student body an annual series of timely educational and cultural lectures and forum discussions by nationally known speakers.

The current season opens on November 4 when Fairfield Osborn will lecture on "Our Plundered Planet."

Other lectures are "The Kinsey Report," by O. Spurgeon English, December 2; "The Soviet-American Future," by Quincy Howe, January 18; "Security in the Atomic Age" by Hanson Baldwin, February 15; "The South Today," by Ellis Arnall, April 21.

Joint action by 19 student, administration, faculty, religious, civic and town organizations originated the forum series, as an annual custom four years ago. Each group contributed \$25 to the embryonic project, and all remained in the organization after a three-year trial period.

## UN Lacks Berlin Jurisdiction, Russia Says as Council Meets

PARIS—The United Nations Security Council spent the day in a procedural wrangle preliminary to considering the dispute over the Berlin blockade. The Soviet Union started things off with a note asserting that the United States lacks jurisdiction over any dispute involving Germany until a peace treaty is signed. When the Council convened, Soviet delegate Andrei Vishinsky developed the argument and went so far as to assert that no blockade of Berlin exists.

The Soviet Union proposes that the Berlin dispute be referred to the Big Four Council of Foreign Ministers. The three Western powers foreign ministers dis-

## 1700 Cars on Campus For Bucknell Game, Police Estimate

An estimated 1700 automobiles were parked on campus during Saturday's Bucknell game, but the vehicles occupied only three-fourths of the usual space, according to Capt. Philip Mark of the campus patrol.

He attributed the space-saving to close direction of parking by patrolmen, and the "splendid cooperation of everyone."

## Hicks Injured As Lions Bump Bucknell, 35-0

By Elliot Krane  
Penn State's victory over Bucknell Saturday proved to be a costly one as team physician Dr. Alfred Greiss announced that Lion End Bob Hicks would be out of action for an "indefinite period."

Hicks, a member of last year's undefeated team and a standout in the Lion terminal post this year, twisted his ankle in the first period of Saturday's contest. At first it was feared that the 185-pound Lancer athlete had broken his ankle, but an x-ray showed that the injury was a bad sprain.

Hicks' loss will be felt by the Nittany team as it goes into in-

## 3281 Shivering Students Apply for Penn Tickets

Shivering in the dim light of a chilly autumn morning, more than 3000 ticket-hungry students massed outside Old Main yesterday morning as applications for Penn-Penn State football tickets began to be accepted at the Athletic Association windows.

A total of 3281 applications were accepted yesterday, Harold R. Gilbert, graduate manager of athletics, reported. Applications will continue to be accepted all day today at the AA windows in Old Main.

## Thespians Set New Musical

While many other campus organizations are still reorganizing, Thespians are already at work on their next musical production, "Bring Back My Wingback," which will run in connection with homecoming weekend. October 21, 22, and 23.

Written by Prof. and Mrs. Edward J. Nichols and Lou Levi, "Bring Back My Wingback" tells what happens when a 1948 grad comes back for alumni weekend in 1968 and finds that instead of the football team getting the spotlight on Beaver Field, the Blue Band is now the star of the day with the team getting only a brief chance to perform between halves.

Music for the show was written by Ray Fortunato, Pat Lamade, Lou Levi, and Duke Morris, and lyrics were written by Ray Fortunato, James Frakes, Pat Lamade, Lou Levi and Professor Nichols.

Singing stars of the show are Peggy Cunningham as Nancy and Tad Komorowski as Danny. Aaron Osipow, who played the phony Russian, Krepotkin, in the Thespians' last show, "Great White Bear," again provides comedy as director of the Blue Band. Other principals are Robert Coughan, Billie Cooper, Kenny Emerson, Candy McCollom, Selma Rudnick, Sid Simon, and Dick Trumbord.

The Saturday night performance will be reserved for alumni but students may attend the Thursday and Friday night shows.

## Penn State Club Forms Fall Plans

Penn State Club, independent men's social organization, will hold its first meeting of the fall semester in 321 Old Main at 7 o'clock tonight.

Applications for membership will be accepted at that time, Fred Peruzzi, publicity chairman of the club, reported. Any independent man is eligible to join.

Membership dues in the organization were incorrectly stated in Saturday's issue of the Daily Collegian. Membership dues are 50 cents per semester, not 50 cents per month as was first reported. There is also a 50 cent initiation fee.

The club places no restrictions on members because of race, creed or color.

A full fall social program highlighted by dances and swimming parties, has been arranged, Peruzzi added.

Two tri-dorm juniors, Elliot Linsky and Richard Schlegel, began the ticket application line, arriving in front of the windows at 4:15 a.m. Along with two friends they spent the two and three-quarter hour interval until the AA windows opened, playing bridge and listening to a portable radio.

**34 Theta Chi's**  
Not far behind Linsky and Schlegel were a delegation of 34 Theta Chi fraternity members who arrived on the scene about 4:30.

By 5:45, when the first members of the campus patrol appeared, the entire hallway outside the AA windows was a mass of sitting or reclining men, patiently waiting for the 7 a.m. chimes.

Mrs. Emily Jean Eggert, wife of ex-GI Paul Eggert and a senior at the College, was the first woman to join the rapidly-growing line. Accompanied by her husband, she joined the line at 5:40 a.m.

Three Simmons Hall coeds, Marjorie Badwey, Julie Halow and Lois Reece, earned the distinction of being the first of the dormitory coeds to join the ticket application scramble.

The orderly line stretched from the ticket windows all the way along College avenue to Atherton Hall by the time the windows opened, promptly at 7 a.m.

### Coffee Disappears

In an effort to keep warm, members of the long file of waiting students kept shuttling back and forth between the ticket line and town restaurants with containers of hot coffee which rapidly disappeared down shivering throats.

One enterprising group of waiters went so far as to build a bonfire in the middle of the campus walk to keep warm while waiting.

Monitored by campus patrolmen John Powers, Ed Girod and Eugene Soliday, the line began moving briskly. 200 applications being accepted in the first half hour the windows were open.

Few incidents and no casualties except for chilled hands and feet were reported.
