

Between The Lions

Top Dog

This fellow, Bernie Custis of Syracuse, is a Pennsylvania boy—hailing from Philly. In addition to inserting the zip into the Orange attack, he is touted as one of the greatest passers ever to enroll at Syracuse and is a sprinter and top kicker as well.

Apologetic

Fred Solomon, a sophomore, wanted to try out for a sport. He gave some thought to football but found out the squad was large already, and anyway he was inexperienced on the gridiron.

A buddy told him it wouldn't be too difficult to learn lacrosse so Fred showed up for practice. Expecting to be slighted as a neophyte, Fred was startled when Coach Nick Thiel placed him at goalie, and said apologetically:

"We won't be able to keep you on first string very long if somebody better shows up."

the lineup. Lightest tackle on the Syracuse squad list is 195-pound Ray Adams. From there until the 250-pound Dick Bagley, the Orange will have over a quarter of a ton of gridders to throw into the two important posts.

Besides Custis and Slovenski, Syracuse has a hard-driving fullback in Lee Buchsbaum, 185-griddler from White Plains, N.Y. Buchsbaum piled up 257 yards in 85 attempts last season and accounted for two of the eleven touchdowns scored last season.

Should Syracuse score Friday night, the educated toe of George Brown will go into service. Brown, the Baysinger counterpart of Lion specialist Carl Sturges, held a two-year record of 27 straight placements before missing his first kick in the Niagara game.

With regular end Bob Hicks still on the sidelines with a sprained ankle, Coach Bob Higgins will send Dennie Hoggard, 200-pound letter winner from last year's undefeated team into the fray.

Werner named his 12-man traveling squad Wednesday night immediately following the season's first time trials.

Members of the squad who will make the trip are Captain Horace Ashenfelter, Bob Auman, John Bates, Bob Freebairn, Bill Gordon, Paul Koch, Don Longenecker, John McCall, Bob Parsons, Al Porto, Jack St. Clair, Al Vigilante.

Tonight's card: Alpha Tau Omega vs. Lambda Chi Alpha, Sigma Chi vs. Tau Phi Delta, Chi Phi vs. Beta Theta Pi, and Alpha Phi Alpha vs. Theta Chi. First game begins at 7 o'clock.

Ankle Trouble Hits Booters, Drill Progress Slowed Down

A little gremlin named "anklitis" has firmly encamped himself on the threshold of Coach Bill Jeffrey's soccer camp and he is causing the Lion mentor a lot of headaches for his home debut against Bucknell tomorrow.

Anklitis is a common enemy of soccer players since it is caused when a rival booter misses ball and hits his opponent's ankle.

Right now four of the Lion soccermen have a bad case of this malady. Frank Taucher, star defenseman, has his ankle taped, but Jeffrey thinks he'll be all right for tomorrow's encounter against the Bisons, while the other starting fullback, Chuck Margolf, is plagued by an infected bruise which he received recently.

Team sparkplug Ralph Hoster-

man also was kicked in the ankle during the bruising contest against Army last week. The injury probably will slow the aggressive halfback down considerably.

Ed Watson, number-one goalie of the booting aggregation, also received a bad ankle bruise at West Point last weekend and
