

Booters Seek Second Victory Against Bisons

Lion soccer forces, 2-0 victor over Army last week, raise the curtain on their home season at 2 o'clock this afternoon when the Jeffrey men tangle with the it-can-be-done soccer team of Bucknell.

The contest will be staged on the varsity soccer field located behind the East stands of New Beaver Field. Since there is no home football game this weekend an overflow crowd of students is expected to see the power laden soccer Lions battle for victory number two.

Bucknell, a victim of the Lions by a 3-0 verdict last year, opened its season last week with a 2-0 loss to Temple's soccer men.

The Lions, possessing speed and a dazzling passing attack, should encounter little trouble from the Bisons, but Coach Jeffrey warned his boys against overconfidence.

A few minor ankle injuries plagued key players during recent practice sessions but the Blue and White forces will be at their top fighting strength when squaring off against the Lewisburg rival this afternoon.

Jeffrey expects to field the same team that turned the tables on Army last week. Dean Witmer, team captain, will fill in at inside right with veteran Hal Hackman holding down his outside right spot. Harry Laworski, a great offensive threat, will probably see some relief action in the line.

Clarence Buss is the most likely starter for the center position although George Phillips who was injured earlier in the season is pushing Buss hard. Sam Axe will see considerable action.

On the left side of the line lanky Ted Lieb will provide the scoring punch from his outside left slot while Harry Little, star of last week's 2-0 victory over the Cadets, is the likely starter at inside left. Dave Dawson and Dick Yeagley, two booters from State College, are expected to spell either Lieb or Little.

Bill Kraybill, an ex-Lancaster booter, is expected to start at left half with Dick Hanna covering the right half position. Veteran Ralph Hosterman is a sure starter at center half with Bud Pierce and Dick Young slated for relief duty.

Lanky Ed Watson is slated to guard the nets with Jim Doman

as a possible substitute. Powerful booting Frank Taucher will probably receive the nod at left full-back and Chuck Margolf at right full. Dave Binns and Red Emig will probably see relief action.

2 More 'Ashes' Follow Horace, Try Out for Cross Country Team

By Red Roth

Ashenfelter, a singular name in Lion cross country and track circles, may soon become plural if two candidates for the harrier squad have their way about it.

The two candidates, Don and Bill Ashenfelter, are brothers of the renowned Horace, captain of the 1948 cross country team, and two-mile runner deluxe.

This is the first crack at cross-country running for both boys.

In fact neither had ever done any track work of any kind prior to trying out for this year's harrier team.

EX-GI

Don, the oldest is 23. He is an ex-GI, having served with an artillery outfit during World War II. Currently he is majoring in Commerce and Finance at the College.

Bill, 21, is a transfer student from Ursinus College, and seems determined to capture a letter in cross-country before his collegiate career is finished. The youngest of the trio of Ashenfelters is an economics major.

Both brothers are sophomores. Their introduction to running is as strange as their famous elder brother's.

INEXPERIENCED

Just as Ashenfelter, Horace that is, got his start by running with ex-Lion track great Curt Stone as a sophomore who had never had any running exper-

Harriers Oppose Violets To Inaugurate Season

The Lion harriers open the 1948 season this afternoon against NYU at the home of the Violets, Van Courtlandt Park, in what Nittany mentor Chick Werner has termed a "battle of the unknowns."

"We don't know a thing about them, and they don't know a thing about us," the Lion coach commented on the eve of the cross-country's team departure for New York yesterday.

What advantage there will be for either team rests with the New Yorkers, who will be running on their home course.

Another setback to the Lions is the absence of harrier star Mitch Williams who was left behind with a bruised knee. Loss of Williams may well mean the difference between a victory and a defeat for the Blue and White harriers in the season's lid-lifter. Captain Horace Ashenfelter, IC-4A two-mile champion, will spearhead the Lion runners in their debut this afternoon.

Ashenfelter last year won both indoor and outdoor honors over the two-mile route and was generally regarded as the best distance runner in the East. Previously in cross-country, he had won runner-up honors in both IC-4A and NCAA title competition.

Other holdovers from last year's championship National Collegiate team are Don Longenecker, Johnny Bates and Bob Auman.

Last year the Wernermen defeated a highly-rated Violet squad 18-37.

This year's meet finds both teams seriously weakened by losses through graduation. Among the outstanding Lion graduates are Jerry Karver, who along with Ashenfelter provided the Lions with a real cross-country one-two punch, and Fred Lennox.

ience, so his brothers are starting running careers by running with him.

"We got tired of picking him up after practice sessions every day, so we just decided to run right along with him," elder brother Don gave as his reason for joining the team.

While still too early for Coach Chick Werner to determine whether he has two more potential champions working out, the brothers Don and Bill may yet change the term "Ash" to "Ashes."
