## Ag Honorary Marks Jubilee

The golden jubilee of Morrill chapter of Alpha Zeta, national agricultural honorary, will be celebrated at a dinner party in the Hotel State College at 6:30 o'clock tonight.

The chapter, which is named for Justin S. Morrill, United States Senator from Vermont and father of the Land-Grant College Act, was installed at the College on January 21, 1898.

John F. Cunningham, newspaperman and dean emeritus of the College of Agriculture, Ohio State University, who was the installing officer, will be honored guest at the dinner along with Charles E. Crothers, a charter member.

### Toastmaster

Edward K. Hibshman, retired executive secretary of the Alumni Association, will serve as toastmaster at his fraternity's 50th anniversary.

Lindley H. Dennis, of the class of 1912, executive secretary of the American Vocational Association in Washington, D. C., will give the anniversary address. He is past high chancellor, and now holds the posts of the national fraternity's general secretary and high treasurer.

### Warnock to Speak

Other speakers will be Prof. Frank G. Helyar, Alpha Zeta high chancellor, director of resident instruction, and head of animal husbandry, College of Agriculture, Rutgers University; Dr. Herbert R. Albrecht, College high scribe of Alpha Zeta and agronomy department head; Dr. Lyman E. Jackson, dean of the College School of Agriculture; Dean of Men Arthur R. Warnock; Arthur L. Haskins, president of the Alpha Zeta Corporation and assistant professor of agricultural and biological chemistry here; and James L. Yetter, senior dairy husbandry student and chancellor of the active chapter.

## Gals Invite Guys To Dungaree Drag

The Dungaree Drag, the vice-versa act pulled each fall by the coeds to the boy-ask-girl routine, will climax the West Virginia football weekend in Recreation Hall tonight.

Following the usual tradition each girl is supposed to pick up her "Dragee" at his residence and to present him with a corsage of any size or shape—originality being the keynote.

The dance, at one time a formal affair, has been informal for the last few years with the girls and fellows wearing jeans or dungarees to keep in tune with the decorations and entertainment.

Music will be provided by Pat Patterson and his orchestra from 9 until 12 o'clock.

### ACO Entertained

Members of Alpha Chi Omega sorority were entertained at the Sigma Pi fraternity house Thursday with a program highlighted by a buffet dinner and dancing. The Standersters played.

## Lions Tangle with Mountaineers Today Before Sellout Crowd

Superstitions will be tossed to the winds when Coach Bob Higgins leads the Penn State football team against West Virginia on New Beaver field at 2 o'clock this afternoon in quest of its thirteenth straight game without a defeat.

The Lions, after going through last year's season without a defeat, tied Southern Methodist in the Cotton Bowl and then ran the string to twelve by trouncing Bucknell, 35-0, and Syracuse, 34-14.

An overflow, sellout crowd of 18,000 is expected to see the Nittany Lion fight the West Virginia

Mountaineer in this, the fifteenth game of the 25-year-old grid series. Penn State bested the visitors, 21-14, in a thrill-packed contest last year, and only once in the history of the series have the Lions decisively trounced the Mountaineers.

For the first time since the Nittany gridders started their victory string at the "Chocolate Bowl" at Hershey in 1947 brothers Joe and Chuck Drazenovich will not appear together at the opening kickoff.

### INJURED

Joe, regular guard, injured his ankle in the Syracuse tussle last Friday and will have to watch the game from the bench while Chuck performs at the blocking back post. Coach Higgins will replace the 200-pound guard with Fred Felbaum, substitute lineman who saw action in both Nittany contests this year.

Felbaum, junior from Johnstown, weighs 190 pounds and should be able to help fill the gap left by the more-experienced Drazenovich.

A second newcomer to the starting lineup is John Simon, who will replace Paul Kelly, another casualty in the Syracuse fray. Simon weighs 195 pounds to Kelly's 215, which will concede the West Virginia aggregation a total of 25 pounds at both guard posts.

Two ends, Dennie Hoggard and Dalton Rumberger, will take turns at replacing Bob Hicks Nittany terminal, who was injured in the season's opener against Bucknell. Both Hoggard and Rumberger were members of last year's undefeated team.

### SMIDANSKY

End John Smidansky will not appear in this afternoon's contest, since the 190-pound sophomore from Munnhall was the victim of a series of injuries earlier in the season, and still needs a few days' rest before seeing action.

A third griddier hurt in the Syracuse battle, Larry Joe, is slated for limited duty since Coach Higgins is looking toward the heavy end of the schedule

## New Buildings Taking Form

Placing of steel rods for third floor columns began yesterday at Willard Hall, located opposite Carnegie Hall on Pollock road.

Riveting of structural steel at the Mineral Sciences building, Pollock and Burrows roads, and the start of plumbing work on the Plant Industries building, mark the latest point reached in construction of the other State-built campus structures.

### Brick Work to Start

Brick work is due to start next week on Willard Hall, the classroom building which will house several administrative offices as well. This structure is of reinforced concrete design.

Concrete for the second floor is 75 per cent poured, and service lines are being run in. Excavation began Thursday, westward from the Mall along Pollock road, for a ditch which will conduct steam pipes, telephone lines and other

## Nittany Shows Top-Rated Film

"To Live In Peace," an Italian movie rated by New York critics as the best foreign film of the year, and the winner of several international awards, will be shown at the Nittany Theatre, Monday and Tuesday. Aldo Fabrizi, who played in "Open City," will take the leading part.

"To Live In Peace" is the third in a series of foreign films to be shown weekly in a local theatre in collaboration with the International Film Club and modern language departments.

Other foreign movies scheduled for the future are "Volpone," "Fanny," "Marias," and "Cesar."

### MI Election

William Arnold, Robert Thomson, William Bonner and David Ludwig were elected sophomore representatives of the MI Student Council Thursday.

## IFC Explains Display Points

The point rating system to be used in judging fraternity Alumni Homecoming displays this year has been announced by Frank Fryburg, chairman of the IFC lawn display committee.

Basis on which the displays will be judged are 35 points; artistic ability 20 points, and relation to the theme 10 points. The maximum point total for any one display is 100 points.

### Best Comparison

The committee feels that this point system will provide the best possible comparison of individual displays and satisfy disappointed fraternities with an explanation of why their lawn decoration was not judged best.

Although strict adherence to the theme, "Penn State Through the Years," will not be required, at least part of each display should contain some reference to it.

### Judges Tour

In an effort to obtain some idea of what to expect in the way of Alumni decorations, the judges will first make a tour through the fraternity section before judging of the display begins.

Fraternities wishing to enter the competition must sign up at the Student Union by noon today, Fryburg added.

Members of the lawn display committee, in addition to Fryburg, are Robert Bossler and Francis Kennedy.

### Rifle Team

Members of the varsity rifle team will begin firing Monday according to a schedule to be posted on the ROTC bulletin board at the Armory.

## Israel Blacked-out After Egyptian Raid

ISRAEL—The Israeli army has imposed a black-out on all Israel and on the Jewish-held section of Jerusalem following what Israeli officials describe as new Egyptian attacks.

Six Egyptian Spitfire planes strafed convoys moving between settlements in the southern desert, and unofficial Israeli sources summed up the situation, by saying: "It looks like the war's on again."

### New Airlift Chief

BERLIN — Major General William Tunner who flew supplies over the Himalayan Hump during the war in the Far East, was named chief of staff of the combined British and American airlift operations in Berlin.

The aim of the merger is to increase efficiency by unifying the airlift organization.

### Vishinsky Balks

PARIS—Soviet delegate Andrei Vishinsky indicated at the Paris Security Council meeting that Russia is suspicious of any Council actions where Berlin is concerned. He suggested that such maneuvers are aimed at bringing the Soviet Union into the Berlin debate.
