**CAMELS are
SO MILD**
that a
30-Day Test
revealed

NO THROAT IRRITATION

due to smoking Camels!

YES, here is a cigarette so mild that, in a total of 2470 exacting throat examinations of hundreds of men and women who smoked Camels exclusively for 30 consecutive days, throat specialists found not one single case of throat irritation due to smoking Camels.

Why are Camels so mild? Choice tobaccos—infinite care in their ageing—plus matchless blending to bring you a full, rich flavor and a cool mildness that says "Camels," and only Camels!

But prove it yourself in YOUR "T-Zone"—T for Taste and T for Throat. Make the Camel 30-Day Test with our money-back guarantee!

Prove it Yourself! Make the Camel 30-Day Test in Your "T-Zone"

Money-Back Guarantee: Make the 30-day Camel test yourself. If, at any time during these 30 days, you are not convinced that Camels are the mildest cigarette you have ever smoked, return the package with the unused Camels and we will refund your full purchase price, plus postage. This offer is good for 90 days from this date.
