

**Harriers—**

*Continued from page three*  
Columbia's Bill Berger, and Stan Waterman, Dartmouth's sensational harrier, are expected to challenge Ash for the individual title.

With the large number of standout performers in the meet this year there is a possibility that the course record, established by Les MacMitchell of NYU in 1939, will be broken. The former Violet star ran the hilly five-mile Van Courlandt park course in 26:28.

*Which career is the one for you?*

Administration . . . Aviation . . . Communications . . .  
Food Service . . . Personnel . . . Photography . . .  
Statistics and Finance . . . Supply . . . Weather?

These are a few of the fascinating fields that beckon in the U. S. Army and the U. S. Air Force. Naturally, you will choose the career that holds the most promise for your abilities, education, and interests, but no matter which you choose in the Army or the Air Force, you will find opportunities unlimited.

The Women's Army Corps and the Women in the Air Force have only recently been established as permanent parts of the Regular Services, so many of the jobs are brand new! Income and benefits compare favorably with those of civilian life. Advancement of qualified, career-minded women is rapid, and women in uniform have the same prestige and privileges as Service men. Some highly qualified applicants may be sent directly to Officer Candidate School for officer training. Many will travel to exciting foreign places. All will work with our nation's men to keep our country secure in peace. For an interesting and rewarding future after graduation, check these distinguished careers.

For further information, visit your nearest U. S. Army and U. S. Air Force Recruiting Station: NURSES IN THE ARMY AND WITH THE AIR FORCE—as commissioned officers. WOMEN'S ARMY CORPS—enlisted and commissioned. WOMEN IN THE AIR FORCE—enlisted and commissioned. WOMEN MEDICAL SPECIALISTS—as commissioned officers.
