

WSGA Drive Closes Today

Today is the last chance for coeds to contribute to the annual WSGA Christmas Drive. Members of the House of Representatives who are conducting the drive have collected \$83.05 to date toward the proposed goal of \$420.

This money was collected by only twelve members of the House, and, as yet, 34 more members have reports to be filed in the Dean of Women's Office before final results can be fully tabulated.

Money collected will be distributed to three different sources. Part will go to the Hetzel fund established by Mrs. Ralph Hetzel to benefit students at the College needing loans. The Mifflin County Children's Aid Society will also receive part, while the rest will be donated to Women's Hospitals, a national organization which helps needy children overseas.

City Panhellenic Holds Meeting

City Panhellenic held its regular fall meeting in Atherton Southeast lounge Monday. Mrs. W. C. Jeffries, president, presided over the meeting at which refreshments and music were provided.

No particular business was discussed as the main aim of City Panhel is conducted through the scholarship standing committee, consisting of Mrs. L. R. Parks, Mrs. George Haller, and Mrs. C. W. Stoddard, Jr., also secretary-treasurer of the city organization.

The committee is advised by Dean Weston concerning the names of coeds in need of financial aid. After a prospective name has been submitted the committee acts directly and determines whether the scholarship should be granted and how much it should be.

For several years City Panhel maintained one scholarship of fifty dollars. Later the system was changed to include two scholarships of twenty-five dollars each and during the 1948 year three scholarships were extended of thirty dollars, twenty-five dollars, and fifty dollars.

Music furnished at the meeting was provided by Mrs. J. O. P. Hummel, cello, Mrs. Ambrosius, piano, and Mrs. Waynick, violin. Refreshments served included tea and cookies. Approximately 125 persons attended, including two members from each sorority College chapter.

Panhellenic Council Plans Pledge Tea

Panhellenic Council has planned one large pledge tea as a new method of acquainting members of the various sorority pledge classes with one another, supplanting the previous method of each sorority pledge class giving a tea or party.

A mass meeting consisting of one pledge and one active from each sorority will be held in the Delta Gamma suite at 7 p.m. next Tuesday to discuss the proposed idea of having only one tea. Candy McCollom and Peg DeJure, representing Panhel, are co-chairmen of the large committee.

A tea, originally planned for this weekend for members of Panhel and an independent woman whom each member would bring, was postponed because arrangements could not be made for a place to hold the tea.
