

Mademoiselle Names Moss To College Board Staff

Pauly Moss, a junior journalism major, has been named to the College Board of Mademoiselle, national fashion magazine.

In a recent contest for appointment to the board, college women were to submit a feature about some phase of college life or an interesting or unusual activity at their particular college.

Chimes, junior women's honorary, was the subject of Miss Moss' article.

In the feature she mentioned the beginning of the national honorary known as Chimes here at the College one year ago. She also told of the efforts on the part of Chimes members to make it an organization to serve the campus, rather than just an award for outstanding junior women.

The work of Chimes during orientation week, its active part in orienting women throughout the year, and its part in promoting more campus spirit was emphasized in her article. The article also included the work of the other hat societies in their effort to unify the campus.

Miss Moss is a member of Zeta Tau Alpha, Chimes, Judicial, and the staff of the Daily Collegian.

The All-College Sing sponsored by PSCA will be held in front of Old Main at 8 p.m. next Thursday. Eleven o'clock permissions will not be granted for this affair.

The annual dormitory Christmas dinners will also be held next Thursday evening.

Cwens Draws up Tapping List from Sophomore Coeds

Cwens, national women's sophomore honorary, plans to tap sometime in the very near future, Betty Lou Shelley, president, said yesterday.

Although a sophomore honorary, Cwens selects girls on the basis of outstanding work in their freshman year. Because of the College's farming-out system tapping must be conducted approximately one-half year later than was previously done and girls must also be considered on the basis of the participation they have shown while sophomores at the College.

Tappes are specifically chosen for leadership activities, at least two, and scholarship, at least a 1.5 average. Coeds who are transfers, that is not enrolled as a College freshman at a center or teachers college last year, cannot be tapped.

A committee to take care of securing a dormitory lounge, preferably that of Simmons, will be composed of members of Alpha Xi Delta and Alpha Gamma Delta. Refreshments will be supervised by Delta Zeta, Delta Delta, Sigma Delta Tau, Alpha Epsilon Phi, Beta Sigma Omicron, and Phi Mu.

WRA Offers Cabin to Women; Oversees Saturday Fun Night

WRA's Saturday Fun Night and its Cabin are two of the recreational advantages which the organization offers to all coeds.

Every Saturday night all the facilities of White Hall, except the rifle range, are open from 7 to 9 p.m. for women students. They may swim from 7:30 until 9 p.m., bowl, play ping pong or bridge in the game room, use the badminton court and the main gym, wash their hair and enjoy the refreshments served with the compliments of WRA.

Tomorrow night Sarah Nichols, of the WRA executive council, and Jacqueline Zivic, representing the faculty, will be in charge of the activities.

WRA Cabin
The WRA Cabin, situated five miles from campus at Shingle-town Gap on Tussey Mountain, is the center of parties, bicycle trips, weiner roasts, hikes and overnight cabin parties.

Women students should procure a chaperon and reserve the cabin by signing the forms provided in the WRA Office in White Hall. This should be done at least forty-eight hours in advance. In case there is a need for a cancellation,

notice of this should be made in time to allow for other reservations.

The use of the cabin by undergraduate women students is free. The cabin is fully equipped with cooking and sleeping facilities.

Christmas Party
In addition to its regular activities, WRA is sponsoring an annual Christmas party in White Hall from 2 to 4:30 p.m. today for seventy-six children in the first and second grades of the Storms-town School.
