

Sororities Make Little Gain In Telephone Controversy

A special committee, appointed by Panhellenic Council to inquire into the reasons for the non-approval of sorority outside phones, reported to the Council last night that little satisfaction had been gained in winning new concessions.

Committee members, Peggy De Jure, Frances Keeney and Clem McMahan, visited Miss Weston, dean of women, in an effort to ascertain the background of the situation. Miss Weston, in stating the opinion of the administration, reaffirmed the fact that sororities could have no outside telephones in their suites and could neither send nor receive calls after 10 p.m.

Miss Weston stated that College rules denied the privilege of private dial phones in any women's dormitories and that this

fact constituted the main reason for not allowing the phones. Sororities, however, may have one of two types of phones. The choice lies between a pay phone or a regular dormitory phone, both of which would be on the 5051 extension and give the advantage of privacy.

One concession granted to Panhel was the condition of sorority advisors being allowed to call until 11 p.m. Miss Weston declared she would request more telephones for the three sororities in Grange, where on phone now serves approximately 19 girls.

The committee also inquired about extending the 10 o'clock deadline on the use of phones to 11 o'clock. Miss Weston affirmed that this may be possible, but that she was not certain what organization, either WSGA or the administration, was in charge.

WSGA Ends Drive; Nets \$269.55 to Date

The WSGA Christmas Drive which closed December 3 has netted to date a total of \$269.55 of the \$420 set up as a goal by the House of Representatives.

The final drive figures have not as yet been completed as several of the dormitory unit reports have not been turned in for official tabulation.

Checks for \$100 each have been sent to the Mifflin County Children's Aid Society and the American Women's Hospitals as two of the three goals established by WSGA. The remaining money will be turned over to the Emergency Fund established by Mrs. Ralph Hetzel.

The money was collected by members of the House of Representatives from the girls' dormitories, sororities, and from chimney boxes placed at Student Union, the TUB, and the Corner Room.

The Council, itself, will elect an Executive Committee, the president of which will represent independent women on All-College Cabinet. The vice-president will act as independent senator to WSGA.

Coed Bowlers 8th in Tourney

Penn State's coed bowling team placed eighth in the first quarter of the tenth annual National Intercollegiate Telegraphic Bowling Tournament. Results for the initial two-week period ending the first Saturday of the month show Stephens College leading the field.

Cortland State Teachers College is running a close second, followed by Michigan State, Temple, University of Michigan, Lacrosse State Teachers College, and Whit-tier College. The four high-point teams took the lead in all three divisions of the tournament.

Mary Cohen of Penn State placed seventh in individual single games with a score of 173. In the five-man two-game series, the local aggregation copped eighth place.

Cortland led the five-man two-game series with a score of 1588 over Temple, Stephens and Michigan State. In the individual two-game series Cortland, Stephens and Temple trailed Michigan State which took the lead again in individual single game scores with the same three teams trailing.

Bowling telegraphics are directed by Miss Mildred Lucey, assistant professor of physical education. The tournament was originated here ten years ago to give coed bowling teams the same incentive which telegraphic tournaments had given to swimming and rifle groups.
