

Panhel Council Announces Tea for Sorority Pledges

Panhellenic Council held its last meeting before the Christmas holidays in the Kappa Alpha Theta house Tuesday night. Adelaide Finkleston, president, presided at the meeting.

Peggy DeJure, co-chairman of the pledge tea committee, gave a report of the mass meeting of one active and one pledge from each sorority held last week. The tea will be held in the main lounge of Simmons from 2 to 4 p.m. Saturday, January 8. Attendance by pledges from all sororities is compulsory. One active from each chapter who served on the mass committee is welcome at the tea, although attendance by other sorority actives is discouraged because of the large numbers involved.

A second matter of business taken up at the meeting included reports from sorority representatives as to how each chapter had voted on the proposed items of a new rushing code. Gilda Grecco, chairman of the Panhel rushing committee received the tabulations.

New Rush Code Proposals

Sororities defeated the idea of giving two uniform parties in each formal rush period. The proposed item of uniform invitations was accepted by a majority of the council members acting in accordance with their respective sorority wishes.

Cutting down coke dates, sending explanatory letters to all incoming girls and issuing a pre-rush list were all accepted by the majority of sororities. Defeated were measures restricting coffee hours to suites, restricting rushing to weekends, and revising rushing so as to hold it only during second semester.

Representatives were asked to take back certain ideas for re-discussion in their sororities. These were having coke dates just in the afternoons, having uniform favors, having Wednesdays as silent periods and having a board of advisors appointed to aid rushes.

Miss Finkleston asked and gained approval of postponing the Panhellenic Workshop to Saturday, January 15, in order that it would not interfere with the pledge tea.

Judy Dankster, representative from Panhel to the committee

working in conjunction with IFC and Froth for a College "Week" similar to Dartmouth's "Winter Carnival", and Cornell's "Junior Week", reported to the council on the work of the committee.

A survey has been conducted to determine the opinion of students in regard to such a "Week", and seemed to be in favor of such an idea. Miss Dankster also presented a tentative plan of the activities for the "Week". Jim Dunaway, Froth representative on the committee, supplemented the report.

Report on Phone Situation

A report on the phone situation, printed in yesterday's Collegian, was also presented to the Council. The report proved discouraging
