

Panhel Completes Plans For Sorority Workshop

Panhellenic Council made final plans for holding its sorority Workshop at 1:30 p.m. this Saturday at its meeting Tuesday night in the Kappa Delta house.

Purpose of the Workshop was expressed as a plan to bring out the mutual problems and possible solutions of the various sororities at the College. Three topics, chosen on the basis of popular vote, will be discussed at three meetings.

At 1:30 p.m. persons will meet in the Zeta Tau Alpha suite in Simmons to discuss the perplexities of rushing. At the same time a meeting concerning the problems of officer training will be held in the Alpha Epsilon Phi suite. A third meeting on improving closer relations with alumnae associations will take place in the Alpha Xi Delta suite.

Coordinators Present

Town women with relationship to Panhel have been asked to act as coordinators of the discussion. Mrs. O'Brien will conduct the group concerned with rushing, Mrs. Anderson, that group discussing officer training, while Mrs. Lefler will lead discussions on alumnae relationships.

Panhel delegates are required to attend one of the three meetings. Three other representatives from each sorority are requested to attend, making a total of five members from each sorority present at the Workshop.

A mass meeting of all participants will be held in the main lounge of Simmons at 2:30 p.m. in order to hear the results of each discussion.

Other business at the Panhel meeting includes a report from the sororities concerning their decisions on certain proposed additions to the rushing code. Sororities voted to make Wednesday a silent period during formal rush and to have coke dates held in the afternoons. Defeated were measures to have uniform rush favors and to appoint a Board of Advisors for rushees.

Members were requested to ask their respective charters to vote on the proposition of having Panhel post-office officials serving as advisors to rushees.

Second Semester Rushing

A third matter of importance at the meeting involved decisions affecting second semester rushing. Panhel set a three-week silent period beginning February 4 and made plans for holding open houses on Saturday, February 26, and Sunday, February 27. Sororities will be divided into two groups, one holding open houses on Saturday and the other group on Sunday. The rushing committee was asked to work out details on proposed time limits. The

Council also ruled that two weeks of rushing must be completed before bids may be sent out.

Final business of importance was the appointing of a committee to determine costs and complications of buying Panhel keys.
