

Women's Swimming Program Announced for the Semester

Lifesaving will be offered to women students again this semester in White Hall pool from 7 to 9 p.m. Tuesdays, Mrs. J. Marshall Brown, instructor, stated. Classes will not begin until next week.

The Water Safety Instructors course will begin today and continue every Wednesday from 7 to 9:30 p.m. In order to qualify for this course coeds must be 19 years old by June and have a senior lifesaving certificate in good standing. Miss Ruth Leonard will instruct this course.

Plunge hours for this semester will be held from 7:30 to 9 p.m. on Mondays, Fridays and Saturdays. The pool will be used by the Swimming Club on Thursday nights.

Members of the Swimming Club are now practicing for National and Regional Telegraphic meets, to be held at the College on Thursday, February 17, and Friday, February 25. Miss Leonard, coach, and Miss Jacque Ziv-

ic, assistant coach, are anxious that the College team make a good showing in view of the previous records held by College teams.

Girls participating in Telegraphics must complete at least eight one-half hour daily swimming practices in order to qualify for the meets, although Miss Leonard and Miss Zivic have been stressing the importance of many more for the purposes of building endurance and increased skill.
