

## Between The Lions

By Tom Morgan  
SPORTS EDITOR

### Quote of the Week

From Charlie Speidel, Nittany wrestling coach and a rabid fan of other sports: "Jim Gehrdes' stature in college track can be likened to that of Francis Rogel in college football. They are just about tops in their fields."

### New Regimes

At least three 1949 Penn State football foes will be operating under new coaches. While Temple has yet to name its new chief, Villanova has chosen Jim Leonard, and Bill Glassford is the new head coach at Nebraska.

### Family Affair

George and Bob Lawther, sons of the Lion basketball coach, John Lawther, are current members of the court squad. George is a junior, Bob a sophomore, new to the campus this semester.

Another ball-playing son, Jim, graduated last year from the Lawther fold and is now a research assistant in the local Naval Ordnance Lab.

### About Red Faces

Recently we pulled something that amounted to a slip of the first order. We stated flatly that there will be no married men, apparently, on the '49 Lion football eleven. All of which precipitated a storm of protest descending upon us from the "Football House."

For the sake of amity, let us correct ourselves by observing that three prospective '49 Lions—Tackle Bob Ross, Fullback Clarence "Pete" Gorinski and Tailback Johnny Chuckran—are married.

Witty Wil, our admiring fraternity brother, tenders this encouraging comment: "Ya know, this shows a couple people outside me and your immediate family read this drivel you scribble in the Daily Collegian."

## Nittany Swimmers Overcome F&M 53-22; Two Records Set

Penn State varsity records were strewn all over the pool last night as the Nittany Lions rolled to victory over a favored Franklin and Marshall swim team, 53-22.

A new time was posted by John McGrory in the 220-yard free style, another tied by Vic Lynch in the 50-yard dash, and the 400-yard relay team of McGrory, Jack Senior, Cass Borowy and Bill Schildmacher produced the second record time of the night.

## Bischoff Calls For Contestants

Three more intramural indoor sports—wrestling, volleyball, and handball—popped into the College limelight today as IM Director Eugene C. Bischoff issued calls for participants, due February 24.

Wrestling and handball will be run off as individual programs, the mat game requiring a physical exam, while volleyball competition will accept one or two teams from each organization.

### SCHEDULES

Schedules will be drawn up for all three as soon as entries are available. Wrestling and volleyball will be featured at Rec Hall after 7 p.m. every night; the handball schedule will allow participants to perform at their own convenience.

Grapplers will contest in eight weight classes, 121 pounds through unlimited, with former champions required to advance one weight from those in which they won their crowns. Bouts are listed for three two-minute periods with no overtime allowed, decisions in ties rendered by the officials. Entry fee will be 25 cents.

Any organizations may advance three men for handball singles play, wherein official rules will govern all play. The entry fee here also is 25 cents.

### RULES

Regular rules apply for volleyball teams, with six men hitting the boards between 7 and 10 p.m. at Rec Hall on playing nights. Competition will be carried out through match play, a match consisting of the best-of-three games. Entry fee will be \$1.

### FM TAKES LEAD

The Diplomats jumped off to an initial lead when they won the opening 300-yard medley relay in 3:22.6 time. Bill Gutteron made a lineup switch when he inserted Captain Schildmacher in the 220-yard free style to team up with John McGrory. This strategy paid off with McGrory coming in first in the record-breaking time of 2:28, followed by Schildmacher to give the Lions an 8-6 lead which they never relinquished.

In the 50, Vic Lynch, swimming in his second competitive race of the season, took first place laurels in the record-tying time of 24.4. He was followed over the line by Cass Borowy. This winning order was reversed in the 100-yard free style with Borowy coming in first and Lynch copping second place honors.

### FOLMSBEE SHINES

Cal Folmsbee came through with the highest score of his career as he captured his fifth consecutive win of the season. Cal protected his unbeaten streak by piling up 103.6 points. His previous high was 103. Rudy Valentino placed second with a 72.55 score.

Other firsts credited to Nittany swimmers came in the record-breaking 400-yard relay in 3:47.7, 150-yard back stroke, and the 440-yard free style.

The only other win for F&M was in the 200-yard breast stroke in a 2:47 time.

With physical examinations required in wrestling, each participant for mat work is requested to be prepared to indicate the most convenient day of the week for taking his exam.

### Tickets Left

Nearly 1500 reserved seats and 3000 general admission seats still remain for the Intercollegiate Boxing Association meets here March 11 and 12, announced Harold "Ike" Gilbert, graduate manager of athletics, yesterday.

He encouraged students who are planning to purchase general admission tickets to buy them early. Advance applications must be accompanied by check or money order.

**How rhythmic can a rhythm song be?**  
You'll know when you hear Blue Barron's new waxing for MGM Records—  
"Powder Your Face With Sunshine"

The Barron has a foot-tapping arrangement here—a combo of Dixie, shuffle and 2-4 time. It's sure-fire styling for a danceable hit tune. And on the flip, Blue puts "Cruising Down the River" into fast waltz time. Blue Barron likes to mix his rhythms—but in smoking, he sticks to one brand—Camel. Here at the right, Blue is telling his vocalist, Betty Clarke, about Camels.

**How MILD can a cigarette be?**  
Make the CAMEL 30-DAY TEST... and you'll know!

Yes, make the 30-day Camel Mildness Test. See for yourself how mild Camels are. In a recent test of hundreds of people who smoked only Camels for 30 days, noted throat specialists, after making weekly examinations, reported

I KNOW HOW MILD A CIGARETTE CAN BE! I'VE SMOKED CAMELS FOR YEARS!

THE 30-DAY MILDNESS TEST CONVINCED ME. CAMELS ARE SO MILD—AND TASTE SO GOOD!

**NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking**

Camels

*Money-Back Guarantee!*

Smoke Camels and test them in your own "T-Zone." T for taste, T for throat. If, at any time, you are not convinced that Camels are the mildest cigarette you ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage.
