

## Swimmers Better Most Times In Second Telegraphic Meet

Telegraphic swimmers succeeded in bettering approximately half their times, set at the first meet, when they competed in the second and final meet last Friday, but times were low in comparison with last year's telegraphic winners.

A list of the best times, compiled by taking the fastest of the two trials, will now be sent to Skidmore, host school, where the records of all schools competing will be compared to determine place standings in regions and nationally.

Marilyn Guillet sliced off one second in the 50-yd. freestyle to register the best time with a 32.85, while Bets Webber, Lois Evans, and Barbara Sprenkle retained their 34.35, 34.5 and 34.8 times, respectively.

In the 50-yd. back crawl race, Lucy Mitinger kept her 42.6 for the record as Carol Chalk clipped her time from 43.4 to 42.75.

Commie Keller bettered her previous time in the 50-yd. breast stroke with a 43.8.

### 100-Yd. Freestyle

Marilyn Guillet led swimmers in the 100-yd. freestyle race with a one second better time of 1:16.35, while Bets Webber knocked off four seconds to finish in 1:19.2. Barbara Sprenkle's 1:19.9 of the first meet will go down on the record and Carol Chalk, swimming this event for the first time, will register a 1:20.6.

Lucy Mitinger stroked a 1:31.5 in the 100-yd. back crawl while Commie Keller had to fall back on her first time of 1:43.9 in the 100-yd. breast stroke.

### Medley Relay

All relay team combinations succeeded in breaking last week's times as Carol Chalk, Commie Keller, and Marilyn Guillet, swimming the back crawl, breast stroke and freestyle, respectively, splashed to a 53.75 in the 75-yd. medley relay. A second combination of Lucy Mitinger, Reta Reed, and Bets Webber finished the same race in 55.3.

Carol Chalk, Bets Webber, Barbara Sprenkle, and Marilyn Guillet set the pace in the 100-

## Coed's Love Life Jeopardized By Press

A note to the Pittsburgh Press. Look out! For the last two weeks, the Press has been carrying stories and pictures of the new dormitories on campus. The pictures were taken last fall. Well, that's all well and good.

BUT, in last Sunday's Rotogravure section, the caption under a photo of a coed read that the girl brushing her hair in the picture was "ing ready for a date."

Now Judge, this girl, AEPH Bernice, "Nuj." Goldberg is pinned . . . pinned to a boy at the Univ. of Pennsylvania. He is Al Rubin, a Phi Ep at that institution and at present is in a confused condition. Mr. Rubin wants to know whom she was getting ready for and why . . .

Is there such a thing as legal action for a pinning as there is for divorce? Look out, Pitt Press, you may be breaking up a long and admirable romance. Hmmm, what about libel proceedings?
