EMPTY THE CAMPS IN 1949

D.P. CAMPS like this will be emptied this "year of opportunity" with YOUR HELP.

SEND THEM HOME

Displaced Jews are trying to keep their families alive behind barbed wire while waiting for a new life. Until these war-torn people find their place you cannot let them die. The flag of Israel will greet the 180,000 Jewish refugees as a symbol of hope and redemption this year.

The help of American Jewry in supporting the \$250,000,000 nationwide United Jewish Appeal campaign will make possible the U.J.A.'s three main objectives—to empty the D.P. Camps; to send them home; to give them the chance they need. You **MUST** act on behalf of those who wait on the threshold of a new life!
