

Leonides To Hear Gochnauer; Group Plans 'Hour Dances'

Miss Myrth Gochnauer of the Home Economics School will speak on spring colors and trends at the next Leonides meeting in southwest Atherton lounge at 7 p.m. Monday.

Miss Gochnauer's topic will be "A Line, a Design and You." The meeting will be open and all interested women are invited to attend.

At the last meeting of the group, representatives discussed a design for a Leonides pin. Thomas Sadler, Alpha Phi Omega, spoke concerning an egg hunt planned for Winderest children to be held in front of Old Main. The group allotted \$10 to aid the egg hunt.

The first of a group of "hour dances" was recently held in which ten Leonides women and ten independent men took part. These mixers, which are sponsored by Leonides and the independent men, last only an hour and thus do not interfere with studies, the sponsors stated.

Independent women who are interested in attending should notify Gloria Zack, 222 Atherton, while independent men should contact John Parry, 6711, extension 39.

Here's a **RECORD** Topping the List

"Saxa-Boogie"—Sam Donahue's latest recording for Capitol

SAM DONAHUE'S slick-style waxing of this jazz-boogie instrumental is fast hitting the top in popularity. Sam is a Camel fan from 'way back. As he puts it, "Of all the brands I've tried, Camels suit me best. They're mild and cool smoking — and Camel's full rich flavor always hits the spot!"

Try Camels on your "T-Zone"—T for Taste, T for Throat. See for yourself why, with Sam Donahue and millions of other smokers, Camels are the "choice of experience."

And here's another GREAT RECORD!

CAMELS suit my 'T-zone' to a 'T'

More people are smoking **CAMELS** than ever before!
