

Meyer---

Continued from page six
of forest management and men-
suration.

When Coach Krutter resigned his fencing job in 1941, Meyer was selected to fill the vacancy. He turned out fine teams in 1941 and 1942 before the sport was discontinued for the duration of the war.

Meyer became a citizen of this country in 1943 and shortly afterwards secured a leave of absence from the College and took a position in Venezuela, in which he helped conduct a survey of cinchona, source of quinine. After exploring the Andes for nearly a year, he became a cinchona plantation manager in Costa Rica.

He returned to Penn State in 1945 and, with fencing's revival in 1946, again assumed his coaching duties. Returning veterans with previous fencing experience dotted the roster that year and helped State compile a fairly good record. However, for the past three years, Meyer's teams have suffered through lack of seasoned performers.

RECORD
State concluded the 1949 schedule with a 2-4 record, defeating Lehigh and Temple and losing to Army, Philadelphia Fencing Club, NYU and Cornell in dual competition. In the recent Intercollegiate the Lions placed 12th among the 12 schools entered.

CARL H. STEELE

Here's Sam Donahue and Patsi Mahar, a featured singer with his band, comparing notes on Camel Mildness.

I LEARNED FROM THE 30-DAY TEST THAT CAMELS ARE REALLY MILD AND HAVE A GRAND RICH, FULL FLAVOR, TOO

I'VE KNOWN THAT FOR YEARS, PATSI. THAT'S WHY CAMELS ARE MY FAVORITE CIGARETTE!

Money-Back Guarantee! Try Camels and test them as you smoke them. If, at any time, you are not convinced that Camels are the mildest cigarette you ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage. (Signed) R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina.

How Smooth can a swing song be?

Hear Sam Donahue playing *Gypsy Love Song*

(A CAPITOL RECORDING)

... and you'll know!

Sam Donahue's new waxing is a real something. Yes! It's smooth, it's swiny, it's something terrific for a fast Lindy—or what-do-you-do? In music, Sam knows that whether you dance it fast or slow—you'll want it *smooth*. And when it comes to cigarettes, Sam himself wants a cool, smooth-smoking cigarette. That's why Sam says, "Camels suit my 'T-Zone' to a 'T'. Camels are the mildest cigarette I've ever smoked—and they taste great, too!"

How MILD can a cigarette be?

Smoke CAMELS for 30 DAYS —and you'll know!

In a recent coast-to-coast test of hundreds of men and women who smoked only Camels for 30 days—an average of one to two packs a day—noted throat specialists, after making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION DUE TO SMOKING
