VOLUME 49—NUMBER 41

STATE COLLEGE, PA., SATURDAY MORNING, APRIL 2, 1949

PRICE FIVE CENTS

Lion, State Candidates Will Stage Issue Debate

Plans were completed late last night to stage a political debate between members of the State and Lion parties at the TUB Wednesday night.

Sponsored by the Daily Collegian, the discussion will be staged in order to acquaint voters with party issues. Platforms and policies of both cliques will undergo rigid cross-examination at the TUB debate.

Robert Gabriel, candidate for All-College president, and Robert Keller, senior class presidential nominee, will argue for the State party against Lion representatives Ted Allen, rival All-College presidential candidate, and James Balog, Lion senior class presidential hopeful.

Although voting will commence Wednesday morning, no other suitable date could be found to stage the discussion for which both parties have been clamoring.

Monday night the State party will hold a parade and rally and the following night Lion clique members will stage a similar parade and rally.

The Daily Collegian will select a moderator who will first introduce all candidates for office from both parties and will then launch the informal debate and maintain order.

Lion clique chairman Morton Snitzer announced yesterday that Jane Sutherland won the portable typewriter awarded as a prize in the contest which closed yesterday. The drawing to determine the winner was held yesterday afternoon.

Elkann To Give DSP Lecture

Jan Paul Elkann will be the guest speaker at the lecture sponsored by Delta Sigma Pi, national commerce fraternity, to be presented in 121 Sparks, at 7:30 p.m. next Tuesday.

Delta Sigma Pi annually sponsors a series of lectures on banking, commercial and financial problems and brings to the College noteworthy men in these fields.

Mr. Elkann, general manager of the International Divisions of the Titan Metal Manufacturing Company, titles his speech "The Marshall Plan and European Recovery."

Edwin Manbeck, Delta Sigma Pi president, urges all members of the fraternity to attend this lecture. All other students are also cordially invited to attend.

House Passes Oleo Tax Repeal; Bill Goes to Senate For Action

WASHINGTON—The House of Representatives yesterday approved by a vote of 287 to 89 a bill to repeal federal taxes on oleomargarine. The bill, introduced by Representative W. R. Poage (Dem., Texas), has been sent to the Senate for its consent or disapproval.

The bill requires that oleomargarine be identified when sold in restaurants. A proposal to outlaw interstate shipment and sale of yellow margarine was defeated 242 to 137.

Students Battle

NANKING—One hundred and forty-four persons were injured in Nanking yesterday when Chinese soldiers attacked university students following a student demonstration against the government.

Attacks ERP Cut

WASHINGTON—Senator Arthur Vandenberg asked the Senate yesterday afternoon to reject Senator Robert Taft's attempt to decrease the funds for the European Recovery Program. He said the European aid appropriation is an "instrument of peace" and that "we are dealing with our own national security."

Seniors Order Caps, Gowns

Orders for caps and gowns, invitations and announcements will be accepted at Student Union beginning Monday afternoon.

Seniors may place their requests for both June commencement accessories at the desk in Old Main between the hours of 2 and 4:30 p.m. Monday through Friday of next week.

A \$5 deposit is necessary to reserve a cap and gown. Seniors are also requested to list their hat size. Invitations and announcements, at 10 cents each, may be ordered in unlimited quantities because of this year's dual commencement exercises.

Richard Hill is chairman of the caps and gowns committee, and David Simms heads the invitations and announcements committee.

Combo Stages Bop Jazz Fest

Producing sounds dissonant and perplexing to the uninitiated ear, Gene Sprague and Arnold Taylor this afternoon will present to the growing colony of enthusiasts and curious ones a concert in bebop, the dynamic new jazz form.

Master of Ceremonies Sprague will direct a program drawn up by Taylor and himself. Sprague and Robert Chacona on trumpet, Taylor and Donald Krebs on drums, Dick Anderson and Harry Clauss on the tenor sax, Robert "Mouse" Miller on alto sax, Jim Riley and Russel Henry on bass and Dean Alspach, piano, make up the jazz group.

An ensemble opening of "Perdido" will introduce medley and solo work by six of the musicians, Alspach, Chacona, Krebs, Miller and Riley. After intermission, Alspach and Miller will be joined by Clauss, Henry, Sprague, and Taylor, beginning with "Mordido" and continuing with the solo flights. As a finale the whole group will give its variations on the theme, "How High the Moon."

Students Hurt In Auto Crash

Sonya Brown and Willis Dickey, both students at the College, were injured Thursday in the collision of two cars on Route 322 near the O'Bryan Service Station, south of State College.

Dickey, driver of one of the cars, received severe lacerations of the lips, Miss Brown, riding in the Dickey car, received a small laceration of the temple. They were treated at the College infirmary.

Police said that William Griffiths, also a student, and driver of the other car, was making a left turn when the accident occurred. Total damage was about \$300.

Mrs. Evelyn Marboe

Marboe To Give Curie Lecture

The scientific phenomenon of "Gas Evolution from Supersaturated Liquids" will be the topic of Mrs. Evelyn Chostner Marboe at the annual Marie Curie lecture in 119 Osmond Lab at 8 p.m. today. The annual lecture series is sponsored by the Palladium chapter of Iota Sigma Pi, women's science honorary. Mrs. Marboe is assistant professor of Glass Technology Research in the School of Mineral Industries.

Scientists in a great variety of fields have long been interested in the problem of the evolution of gases or vapors from superheated liquids. The problem is a vital one in such varied research as the distillation of liquids, the behavior of geysers, the cause of diver's palsy, and many other research fields.

Mrs. Marboe received her B.S. degree in chemistry from Wayne University in 1941 and an M.S. degree in the same field from the College in 1943. She previously served as research assistant in the laboratories of Parke, Davis, and Co., and as graduate assistant and instructor in the chemistry department at the College.

At the present time she is in charge of a research program operating under a contract with the Office of Naval Research, Washington, D. C. She holds memberships in Sigma Xi, Iota Sigma Pi, Sigma Delta Epsilon, and Sigma Epsilon Sigma.

She has 14 outstanding publications to her credit, some of which have appeared in French and British science journals. Her latest paper appeared in the January, 1949, issue of the Journal of Applied Sciences.

Following the lecture tonight a public reception will be held by Iota Sigma Pi in the Mineral Industries art gallery.

Kistler To Speak At Chapel Service

Dr. Raymon Kistler, president of Beaver College, Jenkintown, Pennsylvania, will be the speaker at the chapel service in Schwab Auditorium at 11 a.m. tomorrow. Dr. Kistler will speak on "Mountain Tops of Life."

"Pie Jesu" will be presented by the Chapel Choir under the direction of Mrs. Willa Taylor. George Ceiga, chapel organist will play for the service.

Dr. Kistler, who is a former Presbyterian pastor, will be visiting the campus for the fourth time within the last five years. He is an alumnus of the Theta Phi fraternity.

Trabue Asks Departmental Reform

The State Superintendent of Public Instruction should be freed from political influence, Dean M. R. Trabue of the School of Education said yesterday.

Trabue, addressing educators at the University of Pennsylvania's annual Schoolmen's Week, called for establishment of a State Council of Education which also would be divorced from politics. "It should not be possible for

Seniors To Select One of Three Gifts

Seniors will ballot for one of three senior class gift suggestions at Student Union next Monday, Tuesday, and Wednesday.

A student press, capital for the student co-op, and a memorial gate at the corner of Pollock road and Atherton street are the three choices open for disposition of the estimated \$8000 gift fund.

Seniors may cast their votes at the desk in Old Main at the same time they order their caps and gowns, invitations and announcements for the June commencement.

Students who graduated in January and those who are now practicing teaching will ballot by means of postcards.

A limit of \$2,000 was set on the student co-op proposal making it necessary for any voter who selects that recommendation as his first choice to mark one of the other two choices as his vote for the remaining \$6,000.

Votes for either the press or memorial gate, however, automatically shift the entire \$8,000 fund over to the proposal voted on.

Approximately 1900 seniors are eligible to vote for disposition of the senior class gift fund.

Stage Profs Net WSSF \$218

Faculty capers at the Talent Show Tuesday brought WSSF \$218 nearer its \$3000 goal. The money will be used for books and supplies for Philippine students.

Climax of the evening came when the profs as "The Boys From the Back Room" formed an eight piece ensemble, beating out five like any Joe College.

Drummer Lynn Christy, as the "O" Professor, made a hit with his lecture on the tom-tom as did Soccer Coach Bill Jeffrey when he appeared in kilts and proceeded to do a Highland fling.

Virgil Neilly served as a two-fold entertainer in the capacities of master of ceremonies and vocalist.

The program was sponsored by the combined school student councils.

NROTC Students Win Move-Ups

Capt. William T. McGarry, USN, in an outdoor ceremony Tuesday morning, presented appointments to midshipmen of the NROTC.

In the first battalion, Philip Monaghan was appointed lieutenant commander; Walter Kmak, lieutenant junior grade; Richard Rossi, ensign; and Robert Louis, chief petty officer.

"A" Company officers were Lt. John Coolidge, Lt. (j.g.) Augustus Pierce, Ens. Andrew Adelman, Ens. Richard Pulling. Non-commissioned ranks were awarded to Robert Robinson, CPO, William Nagorny, PO 1-c; William Myers, PO 2-c; Thomas Reese, PO 1-c; Robert Richardson, PO 3-c; William Mathers, PO 3-c; and James Brewer, PO 3-c.

Appointed to the color guard were John Kemper, PO 1-c; Frederick Keefer, PO 2-c; Paul Baumgardner, PO 3-c; and Kenneth Shuff, PO 4-c.

Windcresters Publish Paper

Another newspaper—the Windcrest News Letter—Wednesday joined the rapidly growing list of publications on the campus.

Recently such organs as Lionews and various news letters have come into existence. The Windcrest News Letter is one more step toward complete coverage of all happenings pertaining to the College.

Under the editorship of Kathleen Kidder, the News Letter will be published every Thursday for the Windcrest residents. The camp is divided into seven zones with a woman correspondent assigned to each one. In addition, reporters cover Council and Co-op news events.

The paper contains sections on vital statistics, weather news, Veterans information and want ads besides the usual news. It is put out in mimeographed style.

same time they order their caps and gowns, invitations and announcements for the June commencement.

Students who graduated in January and those who are now practicing teaching will ballot by means of postcards.

A limit of \$2,000 was set on the student co-op proposal making it necessary for any voter who selects that recommendation as his first choice to mark one of the other two choices as his vote for the remaining \$6,000.

Votes for either the press or memorial gate, however, automatically shift the entire \$8,000 fund over to the proposal voted on.

Approximately 1900 seniors are eligible to vote for disposition of the senior class gift fund.

ASM Chapter To Hear Briggs

"Steel Foundry Practice" will be the subject of the American Society for Metals lecture Tuesday. Charles W. Briggs, technical and research director, Steel Foundry Society of America will address the campus chapter of ASM on this topic.

Mr. Briggs will present a general discussion of steel castings, their field and properties in the Mineral Industries art gallery at 8 p.m. Tuesday.

Since 1938 the lecturer has directed the research and technical activities of the Steel Foundry Society. He represented the industry as technical consultant for the government in Germany.

The speaker has been the recipient of various national awards among foundrymen and has written two books, "The Metallurgy of Steel Castings," and "Steel Castings Handbook."

News Briefs

Safety Tape

Owners of the 600 licensed bicycles in State College can have luminous tape placed on their bicycles free of charge, at Hater's garage, 2 p.m. tomorrow.

NAACP

Officers and committee chairman of NAACP will have a special meeting in the second floor lounge of Old Main, 6:30 p.m., tomorrow, to map out plans for the rest of the semester.

WRA Tennis Club

WRA tennis club will hold an organization meeting in White Hall Gym, 6:30 p.m. Tuesday.

LaVie Meeting

La Vie Senior boards, for both 1949 and 1950, will meet in the La Vie office, 8:30 Tuesday.

Ski Club

Penns Valley Ski Club will hold a meeting in 219 Electrical Engineering 7:30 p.m. Tuesday. The movie, "A Nation of Skiers," will be shown and next year's officers will be elected.

Correction

Penn State Club will meet in 411 Old Main, at 7 p.m. Monday instead of last night as incorrectly stated in yesterday's Collegian.

Dairy Show Plans

Show-animal instructions for students who have drawn for animals in the Dairy Show will be given in the dairy barns at 2:00 p.m. Monday.
