

Ott, Brown Head WSSF Drive, Solicit Funds For World Relief

Under the leadership of Ernest Ott and Deane Brown, World Student Service Fund solicitors are now contacting students and faculty members for funds for world student relief.

The major portion of this year's contributions will go to the Philippines for books and supplies badly needed by students there while the remaining sum will be directed to WSSF's general emergency fund. The theme of the drive is "Invest in Tomorrow--Today."

WSSF Results

Concrete results of last year's drive at the College were seen in two letters recently received by the WSSF committee from field secretaries in Asia and Europe. Through their contributions, Penn State students and faculty members helped to support the Red Crescent Hospital in Triplicane Madras, India, which was started by students and now treats about 2000 patients per month, most of them too poor to pay.

Penn State contributions also provided 12 Polish tubercular students with care in a Swedish sanatorium. Of these, eight recovered, one died, and three are still receiving treatment. One of the patients to recover was a young doctor who plans now to devote her life to the study of tuberculosis and its cure. Both letters expressed thanks for the great boost Penn State had given them.

Of the solicitors, William King

is chairman of the fraternity section; Otto Pfeffercorn, in charge of town; John Kochalka and Don Love, Pollock Circle; Norman Weir, Nittany Dorms; Robert Davies, Tri-Dorms; and Deane Brown, women's dormitories. Contributions will also be accepted at a booth at the Corner or at the PSCA office, 304 Old Main. The student drive will continue until Saturday, the faculty drive until April 14.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

POOR old Sheedy had a hang dog look before he tried the Finger-Nail Test and switched to Wildroot Cream-Oil. Today—he's a blue ribbon winner. Regular use of Wildroot Cream-Oil now gives him a snappy, well-groomed look. No longer is he bothered by dryness and loose, ugly dandruff. He's out of the dog house for good with his girl friends. Why not dog trot down to your nearest drug store for a bottle or tube of non-alcoholic Wildroot Cream-Oil right now! And ask your barber for professional applications. You'll find that once you start using Wildroot Cream-Oil containing Lanolin, you're a gay dog in even the best society.
