**1** ONCE UPON A TIME A GROUP OF PEOPLE GOT TOGETHER AND BUILT THE BEST HAPPINESS MACHINE IN HISTORY...

**2** BUT WHEN IT WAS READY THEY GOT TO FIGHTING OVER WHO SHOULD GET THE MOST HAPPINESS.

**3** THEY KEPT FIGHTING... AND THE MACHINE SLOWED DOWN. SOON THE PRICE OF HAPPINESS SKYROCKETED!

**4** IN THE END THEY ALL DIED OF BROKEN HEARTS RIGHT NEXT TO THE GREATEST HAPPINESS MACHINE THE WORLD HAS EVER SEEN!

*Now, here's a better ending!!!*

They stopped fighting among themselves.

They got together like sensible human beings . . . management, labor, farmers, consumers.

And they said, "Look . . . we've got something wonderful and special here in America . . . something so good it saved all the rest of the world twice in 25 years.

"It isn't perfect yet . . . we still have ups and downs of prices and jobs. But our system has worked better than anything else that's ever been tried.

"And we can make it better still . . . we can build for peace as we built for war without even working harder — just working together.

"We can invent and use more and better machines,

can apply more power. We can work out better methods in our factories, stores and offices. We can have better collective bargaining. We can develop more skills on the job.

"By doing these things, we can produce more every hour we work, at constantly lower costs.

"The bigger the flow of goods, the more there will be for everyone. Higher wages to buy the good things of life and more leisure to enjoy them!"

So that's the way they did it. And they lived happily ever after.
