## Co-op--Press Proposal Takes Lead in Balloting

The proposal to contribute approximately \$8,000 to the College for use of the student co-op and the projected student press was leading in the balloting for the senior class gift last night.

Returns were incomplete with final postcard ballots to be counted this morning. Midnight was deadline for postcard ballots.

Senior Class President Terry Ruhlman said that about 1,000

## Choir To Give Cherubini Mass

Cherubini's Requiem Mass in C Minor will be presented by the Chapel Choir in Schwab Auditorium tomorrow. The Choir is under the direction of Professor Willa Taylor and will be accompanied by Prof. George Ceiga, organist. Two services will be presented, the first at the regular chapel hour, 11 a.m., and the second at 8.15 p.m.

Professor Ceiga will play organ music by Guillemant, Marcello and Couperin.

"The Requiem Mass," the major subject of study undertaken by the Choir this year, has for its musical setting the Roman Liturgical Mass for the Dead. With its emphasis upon future life, the Requiem is considered by many to be the most beautiful Mass. The solemn mood of this music is in keeping with the spirit of the Lenten season.

## WSSF Drive Reaches \$600

Approximately \$600 of the expected \$300 goal for the WSSF drive has been collected, Mark Elcan, co-chairman, announced last night. Because of slow returns, the drive will be extended until next week, although students are requested to have their contributions in by Tuesday, Elcan continued.

Only a partial list of returns was able to be tabulated, but a complete list will be published in Tuesday's Collegian. The faculty talent show proceeds netted close to \$200, which was the largest amount received from any one group.

Fraternity results show Delta Theta Sigma leading with a contribution of \$32. Delta Upsilon has turned in \$16 while Beta Sigma Rho followed with a total of \$14.05. Delta Tau Delta donated \$10. Kappa Delta Rho gave \$9.80 and Tau Kappa Epsilon followed with \$6. Phi Kappa Tau has given \$7.95 and Theta Chi fell close behind with \$7.65.

### Other Contributions

Nittany Dorms' contributed totals \$68.59. Pollock Circle Dorms turned in a total of \$21.60. Returns from women's living units are as follows: Atherton Hall, \$26.80; Simmons Hall, \$12; Women's Building, \$6.70, and the third floor of MacAllister Hall which has made a contribution of \$8.90.

Students not solicited may leave contributions at Old Main.

seniors, approximately one half of the class, had voted. The co-op and student press proposal led with more than 400 votes, while the proposal to give the entire sum to the student press trailed with nearly 400 votes.

Ruhlman said late postcard votes might change the results.

Under the proposal, \$2,000 would be given to the co-op and the remaining sum of about \$6,000 would go directly to the student press.

The proposal to give the money for a memorial gate at Atherton street and Pollock road received about 100 votes, as did the proposal to use the funds for the co-op and the memorial gate.

Throughout the week seniors voted at the Student Union desk when ordering caps and gowns.

About 30 percent of the postcard ballots had been returned yesterday.

The new allocation would boost to \$16,500 the sum now set aside for establishment of a student press, leaving \$8,500 to be raised for the \$25,000 needed for the press. Last year's graduating class contributed \$6,500 and The Daily Collegian, Inc., has \$4,000 in a sinking fund for that purpose. The possibility remained that the additional funds could be raised by floating private loans.

The senior gift fund is composed of money left over from the 50-cent fees all student pay each semester for general breakage of College property.
