

Seniors Divide \$8,000 Gift Between Co-op, Student Press

In the final tabulation of the voting for the senior class gift, the proposal to divide the \$8000 between the student co-op and the planned student press won by 128 votes over giving the entire amount to the press fund.

Terry Ruhlman, president of the senior class, announced the results of the balloting after allowing time for the postcards mailed up to the Friday midnight deadline to be counted. Of the seniors already graduated, 45% voted by mail, and in addition, 42% of the seniors on campus made their selections.

1032 Vote

A total of 458 seniors cast their votes for the proposal to give the co-op \$2000 and contribute the remaining \$6000 to the student press, while 330 favored allocating the entire \$8000 to the press. The proposals to set aside the whole amount for the establishment of a memorial gate and to split the money between the gate and the student press each received 122 votes, thus giving a total of 1032 votes cast.

The \$2000 sum for the co-op will be used to enlarge the facilities and stocks of the present establishment, and possibly to ease or supplement the cabinet subsidy now being used.

Possible Addition
The student press fund, now increased to \$12,500 by the \$6000 increment to last year's graduating class gift of \$6,500, may be augmented by a further addition of \$4000 from the sinking fund of the Daily Collegian, Inc. The total of 16,500 is still short of the \$25,000 estimated to be necessary for the purchase of equipment for the proposed student press.

Susan's New Look

Suzan Emulates Frothy With Beer Mug

Might this be the juvenile phase of the "new look," you ask? Or at least a Penn State version?

Call it what you like. There is actually no reason behind little Suzan's "new look" except that one night her sitters (you know, people who baby-sit) wanted to take some pictures. Mr. and Mrs. Victor Adams, the sitters, decided to use Suzan as their subject.

So they dressed her up, obviously mostly with someone else's clothes, put a beer mug in one hand, an umbrella in the other, a derby on her head, and you see their result.

By the way, Suzan's last name is Burmester, she's three years old, and lives in Spring Lea Park, Bellefonte. Her father, Heinze, is a junior in EE.

Take it easy, you guys, she's got a date for Senior Ball.

IFC Slated To Elect New Officers Tonight

Election of next year's Interfraternity Council officers heads the agenda for tonight's IFC meeting.

Vying for the presidential vote are Peter Giesey, Delta Sigma Phi; George Vadasz, Chi Phi; Richard Sweiker, Phi Kappa Sigma; and Ben Carbeau, Beta Theta Pi.

Vice-presidential nominees are Harry Reid, Acacia; Gordon Drane, Sigma Pi; Albert Hayes, Phi Delta Theta; and Jack Senior, Pi Kappa Phi.

Three men, Jesse Kehres, Triangle; Harry McCarty, Sigma Alpha Epsilon; and Jack Ernst, Kappa Sigma, are competing for the secretary-treasurer office.

Nominations from the floor will be opened tonight announced George Chapman, IFC proxy, and final voting will take place in 405 Old Main at 7:15 p. m. tonight. Each fraternity, represented on the council, will be entitled to cast one vote for each candidate. To be elected candidates must have a majority, not plurality, of the total vote cast.

All College President Williams Lawless and All-College Secretary-Treasurer Ed Walacavage will assist in counting the votes. The newly elected officers will formally be presented to the council at the AFC-IFC banquet in the first week of May.

The plan is optional; pictures will be taken again in the fall, but the photographer will not be able to take care of them all then.

The schedule is April 20-22, Mineral Industries; April 25-29, Liberal Arts; May 2-6, Engineering; May 9-13, Education, Home Economics, and Physical Education; and May 16-20, Agriculture, and Chemistry and Physics.

LaVie To Take Junior Pictures

In order to facilitate handling the large volume of student photographs for the 1950 La Vie, juniors may have their pictures taken this semester, Ramon Saul, 1950 editor, said today.

"Because of the large number of graduates next year we have decided to enable the members of the class of 1950 to have photos for the senior section taken this spring," he said. "This will make possible greater care in taking the pictures and also give students a longer time to select the proof desired."
