

## Panhel Council Announces 1950 Spring Rushing Schedule

Gilda Greco, Panhel rushing chairman, announced the tentative rushing schedule for 1950 at the Panhellenic Council meeting Tuesday night.

The first open houses will be held Saturday, February 10, and rushing will continue until February 24 when coffee hours are scheduled. Both fall and spring rushing schedules will be voted upon by the Council at its next meeting.

Mr. William Norcross addressed the Council in regard to the assessment of twenty-five cents per person each semester for the purpose of obtaining funds for AIM, Leonides, IFC, and Panhel. Representatives were asked to obtain sorority opinion on the matter and be prepared to accept or reject the proposal at the next meeting.

### Council

Upon request of WSGA the Council considered the question of relations between Big and Little Sisters during rushing periods and decided that silence between these persons would not be required as long as sororities were not discussed.

Sororities were asked to prepare a list of all girls who will be back next semester, alphabetically and according to year, fraternity counselor's name, Panhel representatives, and an itemized statement of fraternity costs for publication in the Panhel booklet which is distributed to new girls at the beginning of each year.

### Flags

Delores Jelacic, president, reminded sororities to pick up their flags at the Kappa Delta house and to pick up fall refund checks at Student Union.

Miss Ellamae Jackson, assistant to the Dean of Women, urged that sororities hand in their room list for next year. Also social chairmen who have not yet visited her are urged to do so.

The next meeting of Panhel will be held in the Beta Sigma Omicron suite at 7 p.m. Tuesday, May 3.

## First YWCA Ladies Aided Homeless Working Girls

Almost a century ago a small group of women met in New York City. They were worried. The Industrial Revolution had set in, with a vengeance. And because of it, thousands sought work in dilapidated factories, and found themselves homeless in large cities—their health endangered.

Thoughtful ladies who saw what was happening formed a little prayer. Asking for Divine guidance in their task, they sought to improve the welfare of this new phenomenon, employed women. Obtaining boarding homes for them was a first concrete step. And so began the far-flung services of the Young Women's Christian Associations in the United States today.

April 24 to 30 is being celebrated as National YWCA Week. PSCA is the YWCA and YMCA on campus.

Some of its activities are Tuesday night meetings, (Club '51 for sophomores), cabin parties, conferences, radio programs and study groups.

## Bartha, Card To Formulate Leonides' Election Districts

Thirty dollars was allocated for the publication of a newspaper for independent men and women, in the event that it is possible to publish one in the remaining weeks of the semester. A committee composed of AIM and Leonides members is investigating the matter.

Social chairman, Joan Wentzel, announced that Leonides members will act as hostesses at the

annual Junior-Senior women faculty reception.

All representatives and alternates must be present at the final meeting of Leonides, May 9.
