BX Closes at Noon; Refunds Due Patrons

The Student Book Exchange, located in the TUB, will close for the semester at noon today. Refunds amounting to twenty per cent of the original purchase price will be refunded to students upon presenting their receipts at the exchange next week, from 2-5 p.m. Monday through Friday.

Lee Burns, chairman of the board of control for the exchange, said yesterday that according to present plans the book exchange will not be open during the summer sessions. Operation will resume early in the fall semester. "The exchange has made an excellent beginning, but there are many goals still to be attained," said Burns. "It has more than justified its creation because of the cooperation of the student body, members of the board of control and the Book Exchange Committee."

Books and supplies have been sold during the semester at prevailing prices. Students benefit through the refunding process beginning next week and also because of the campus location of the exchange.

"Only if students take advantage of the rebates will the book exchange realize its value as a service to them," said Burns.

The exchange, which has now been in operation nearly a semester, was started through capital obtained from All-College Cabinet. A financial report will be made public as soon as it is completed next week.

Joanne Hobbs, chairman of the Book Exchange Committee and secretary of the board of control, has been active in making a success of the exchange. Other members of the committee are Nancy Cray, Dorothy Coon, Richard Evans, Virginia Francis, John Hunter and Albert Sheinfeld.

Edmund Walacavage has served as treasurer of the board, and other members include Ted Allen, George Bearer and William Renshaw.

The Rev. Raymond Shaheen, pastor of Messiah's Evangelical and Lutheran Church of South Williamsport, will be the guest speaker at the 11 a. m. Chapel service in Schwab Auditorium tomorrow. He will deliver a sermon based on the Latin expression "Ecce Homo," (Behold the Man).

The Chapel Choir, under the direction of Mrs. Willa Taylor and accompanied by George Ceiga at the organ, will present the anthem, "Hear My Supplication" by Arkhangelsky.

Gala Spirit Invades Campus For Windcrest Carnival Today

"Carnival spirit" will be in the air again when the Windcrest Carnival gets under way at 2:30 this afternoon. Site of the festival is the parking lot behind McElwain Hall, and the merrymaking will last until midnight.

Sponsored by Windcrest Council and "Windercrest Wives," the carnival is an effort to raise money for the Centre County Cancer Fund.

Entertainment for the affair includes a merry-go-round and ferris wheel for the children, a target game using ping-pong balls fired from a gun, a "goofy golf" game, a fish pond, penny pitch, and horse racing. There will also be bingo. Game winners will have prizes to choose from; and pop, hot dogs, ice cream, and candy will be sold to the "hungry ones."

Chances on a food mixer and a baby stroller are now being sold. The drawing is scheduled for 11:30 p.m., and the winner does not have to be present.

Chairman of the event is Mrs. Henry Fiebler. Her assistants are Ann Bernacky, Helen Cruney, Letty Heckman, Lotty Klemie, Clara Meek, and Natalie Windbourne.

Prof Loans Car, Reports It Stolen

Police in all parts of the state, New England and several states south of Pennsylvania were alerted. A member of the College faculty was missing his car and had reported it as stolen Thursday afternoon.

State police at the Pleasant Gap sub-station and Rockview Barracks went to work on the case. Descriptive information and the license number of the car were flashed from Rockview over a teletype network covering nine states.

Then another call was received from the professor and the general alarm was cancelled. Another absent-minded professor story was in the making as the faculty member sheepishly admitted that he had just remembered having loaned the car to someone.

It wasn't reported whether the professor remembered who had borrowed the car.

LA Council Collects Data On Lake Plan

See Editorial on page 2

Facts are being collected on a proposed artificial lake which would be located two miles northeast of State College, according to Richard Shultz, chairman of the recreational lake project committee of the Liberal Arts Student Council.

"Aerial photographs have been taken, average rainfall is being determined and geological tests taken of the area considered for the lake," Shultz said.

Site of the proposed lake, which would provide recreational facilities for students and townspeople, is at the junction of Cedar Run and Slab Cabin Creek, almost at the edge of the College hog farm, in the direction of Bellefonte. About two-thirds of a square mile would be inundated, according to Shultz.

Part of the land in question is owned by the College and part by individuals, Shultz said. "Photographs are being taken to determine how much land would have to be purchased for the lake, a geological survey has shown that the area will hold water, and steps are being taken to draw up a cost estimate of building a dam," he said.

House Group Okays Pay Bill

WASHINGTON—The House Armed Services Committee has approved a military pay bill that would end bonuses for service at sea and in foreign countries, discontinue family allowances for military men and replace the present practice of boosting pay by five per cent for each three years of service. Instead there would be automatic pay increases at each level with a definite maximum for each grade.

The bill also would provide pay raises, skipping only the lowest enlisted grade. Men at the second lowest level would gain two dollars a month and the boosts would increase up the scale with generals and admirals getting about a fifty per cent.

Bedenkmen Garner 9th, Blank Panthers, 5-0

Although out-hit by a game Pittsburgh nine, Penn State's baseball team, behind the shutout hurling of Al Tkac, garnered its seventh straight success and ninth win in ten starts yesterday afternoon on New Beaver Field. The score of the contest was 5-0.

Today at 2:30 p.m., the Lions go after win number ten when they tangle with the Skyscraper U. crew again. Cy Miller, holder of a 4-and-1 record, will pitch for the Bedenkmen.

Tosses Shutout

Al Tkac

Except for the frequent wildness of Pitt twirler Rudy Hudec, yesterday's game displayed signs of being a pitchers' battle. The Nittanies could muster only five hits off the slow curve slants of the Panther righthander, but the eight walks, a balk and a wild pitch that he gave up aided the Blue and White in chalking up five runs.

Two Runs

Owen Dougherty and Bill Ondick scored runs for the State-men in the second inning on one hit, Hen Albright's ringing single over short. When Lewis bobbled the ball momentarily in left field, Ondick followed Dougherty across home plate.

Dick Wertz tallied for the winners in the third frame without a hit. He walked, went around to third on Dougherty's roller to short, and scored when Petrosky threw wild past third.

In the seventh inning, Joe Tocci singled, stole second, went to third on a fielder's choice and scored when Ford threw into the dirt on an attempted double play on Dougherty. Dougherty got to

Miss Neff's concluding songs will be in a lighter vein. They are "St. Agnes Morning" by Cowell, "Milkmaids" by Edmunds, and "Deborah" by Bone and Fenton.

Student recitals are given Sunday afternoons in an effort to acquaint the student body with some of the talent in the music department. Miss Neff is a junior, and Mr. Schlegel is a senior in the department.

Ticket Sale Continues

Tickets are still available at Student Union for the "Goethe in Song" program being presented in Schwab Auditorium at 8 p. m. Monday. Sponsors of the event are the departments of music and German and the Chapel Choir.

Miss Barbara Troxell, soprano, and Paul King, baritone, will present musical compositions based on the poems of Johann Wolfgang von Goethe. This year marks the 200th anniversary of the writer's birth, and the program has been designed to demonstrate the effect his philosophy and works have had in the development of music.

Miss Troxell and King will appear as guest soloists with the Chapel Choir Wednesday night in its presentation of Brahms' Requiem. There is no admission charge for this concert, but those wishing to attend must obtain tickets at Student Union.

NSA Chapter Plans to Send Delegates to National Congress

National Student Association will hold its second National Student Congress at the University of Illinois from August 24 to September 3.

At the last meeting of the campus chapter of NSA, Ernest Ott, chairman, presented the names of five possible delegates who must be approved by All-College Cabinet before a final list is released.

A major feature of the Congress will be a national laboratory for the development of student government leaders. In the Student Government Personnel Training program the problems of student apathy, running an effective program, getting committees to produce, and student government finances will be tackled.

In informal round tables, committees and plenary sessions delegates will develop policies and programs for the coming year. Matters to be considered include a number of important issues: The Student Bill of Rights, Communism and Education, Federal Aid to Education, International Stu-

dent Relations, Discrimination in Education, Student Welfare, the Role of the Student in Education and in Public Affairs.

Delegates will choose one of the following commissions in which to serve for the duration of the Congress: Student Life and Student Government, Educational Problems, International Affairs, Administration, Finance and Public Relations.

The partial list of those NSA members who will attend the Regional Convention in Philadelphia on June 16, 17 and 18 includes Joel Bachman, Isabel Greig, Virginia Hartman and Ernest Ott.
