

New Students Register Friday and Saturday

Registration for freshmen, sophomore, and transfer students, a number estimated at 3500 by Dean of Admissions Royal M. Gerhardt, as compared with 2700 last fall, will take place in Rec Hall from 8:00 a.m. to noon and from 1:10 to 5 p.m. Friday, and from 8 a.m. to noon Saturday.

Veterans will complete registration forms in the basement of Carnegie Hall after following regular procedure in Rec Hall.

Registration procedure will be printed in detail in Friday's issue of the Daily Collegian.

Graduate students, many of whom are not yet on campus, have been allowed until October 15 to complete registration without paying the late fee of \$10 which is levied against all students who fail to register within the required time.

Upperclass Registration

Upperclassmen will register on Monday and Tuesday, their coming bringing campus attendance to an all-time peak of over 10,000.

Unclassified and special students, including employees of the College, will register September 28, 29, 30, and October 1.

Transition students will report, as the case may be, to Dr. Harold K. Wilson, Dean of Men, or Miss Pearl O. Weston, Dean of Women.

Intermediate Registration

Students notified of transfer into the Division of Intermediate Registration will report to Dr. Wilson, director, at 111 Old Main.

Official copies of the Course Time Table may be purchased by students at the office of the College Scheduling Officer in the Armory, or seen at all advisors' offices.

Classes will assemble according to the Time Table for the first time Wednesday, September 28, at 8 a. m.

Hatmen To Hold Business Session

All hatmen on campus will meet at 7 p.m. today in 410 Old Main, according to a joint announcement of the presidents of Skull and Bones, Parmu Nu, Blue Key and Druids. Purpose of the gathering is organizing for the fall term and planning traditional hatmen's duties at football games.

Shingles for Blue Key, Parmu Nu and Skull and Bones will be distributed at the meeting. Members of the three groups may now pick up hats and keys in 102 Old Main.

In the early nineties, one of the students paid a good part of his College expenses by acting as barber for the boys. His shop was on the fourth floor of Old Main, and the charge for a haircut was 15 cents.

Matric Cards Admit Students

Matriculation cards will be the admission tickets for seniors and juniors at the Villanova football game Saturday. Sophomores and freshmen, however, will present AA books received at registration.

The seniors will occupy seats in the east stand, in sections EG, EH, EJ, EK, while the other undergraduate students will sit in the newly-erected north stand. Juniors will have sections NJ, NK, NL, NM, and the sophomores and freshmen ND, NE, NF, NG, NH. The Blue Band will be seated in the first 12 rows, even numbers of section EH, marked accordingly.

Additional tickets for guests of students may be purchased at the ticket office, 107 Old Main, or at the ticket booths at New Beaver Field. Married students may obtain AA books for their wives by presenting proof of marriage and \$9.00 (tax included) at 107 Old Main or the ticket booths at New Beaver Field.

Army Game Proves Sellout

All juniors, seniors and 1949 graduates who ordered tickets last May for next week's Army football game should have received them by now, according to Walter R. Hosterman, assistant graduate manager of athletics.

Meanwhile, Harold R. Gilbert, graduate manager of athletics, reported that the Army game is "now a definite sellout." He pointed out that Penn State's allotment of 10,000 seats for the game at West Point is exhausted, except for about 250 tickets still available for new sophomores and freshmen.

Sale of the tickets, priced at \$4 each including tax, will begin to sophomores and freshmen on Monday at the ticket windows of the Athletic Association, first floor, Old Main. Office hours are 8 a. m. to 12 noon and 1:30 to 4 p. m.

All alumni mail orders for the Army game have now been filled, at the maximum rate of four tickets per order, according to Hosterman.

PSCA Mixer

New students will have a chance to become acquainted with each other and with prominent students and faculty members at a mixer sponsored by the Penn State Christian Association in front of Old Main at 8 p.m. tomorrow.

With Charles Oerkvitz as master of ceremonies, the program consists of a greeting by All-College President Ted Allen, Penn State cheers led by Head Cheerleader Dick Clair and several members of the regular cheerleading squad, the introduction of Norman Wheeler, president of the PSCA, and novelty acts by members of the faculty.

Round dancing led by Chauncey Lang, professor of agricultural extension, will follow in front of Old Main, and square dancing with Dr. William Smith, associate professor of home economics, is scheduled for the TUB. In the event of rain, the entire program will be carried out in the TUB.

Glee Club Plans 3 Tryout Periods

Three tryout periods have been set for men interested in joining the Glee Club, said Frank Gullo, Glee Club director.

Students should report to Mr. Gullo in 200, Carnegie Hall at the following times: Sophomores, Wednesday, Sept. 21 at 7 p. m.; late Sophomores and Upperclassmen, Tuesday, Sept. 27 at 7 p. m.; Upperclassmen, Wednesday, Sept. 28 at 7 p. m.

The Glee Club is open to all men students. It meets Wednesday-evenings at 7 p. m. for rehearsal. The program for the year includes singing at college events, a concert, and its annual tour in the spring.

At the College around the year 1890 the charge for room rent, furniture, and light for the sessions was \$37; and board ranged from \$2 to \$3 per week, the usual price being \$2.50.

Record Enrollment Expected As New Students Arrive

Enrollment figures for the fall semester are expected to rocket to over 10,000 students on campus, according to Royal M. Gerhardt, dean of admissions. In addition, as in the three previous years, 3,000 undergraduate students will be assigned to the College's centers, the co-operating colleges and Mont Alto.

Theater Groups Hold Auditions

The theater season at the College is getting off to a flying start this fall with productions by Thespians, Penn State Players, and Center Stage going into immediate rehearsal.

The first play at Center Stage The Glass Menagerie by Tennessee Williams is already cast and opens Homecoming weekend. It will run Friday and Saturday nights for six weeks.

Also scheduled for homecoming weekend is the Thespian Homecoming Show Welcome Willie. Try-outs will be held from 7:00 to 11:00 p. m. on Thursday, Friday, and Sunday, September 22, 23, and 25 in the Little Theater (under west Old Main). Comedy acts, singers, musicians, dancers, piano players, actors, quartets, crew people, and any persons generally interested are urged to try-out.

The Thespian Club is the oldest organization on the campus dating back to 1898. It was founded by Dr. Fred Lewis Pattee who is known for having written the Penn State Alma Mater. Each year the Thespian Club, an all male organization, and its counterpart the Masquerette Club, an all girl club, jointly put on two musical comedies.

With each snowfall, the College Power Plant estimates that at least 20 glass panels of street lights located on campus, costing about \$50 to replace, are broken by students throwing snowballs.

Of the 10,000 students who will enroll within the next few days, about 500 are freshman women, 3000 are sophomores, all coming to the campus for the first time. The sophomores are those who were farmed out to cooperating colleges and the Penn State centers last year.

While the veteran enrollment has dropped with the incoming class it is still higher than the average for other colleges and universities in the nation. Over 50 per cent of the Summer sessions enrollment was composed of veterans.

One hundred fifty women and 300 men were admitted as transfer students coming from other colleges with advanced standing. The number of those admitted with advanced standing must be limited, as our first commitment must be to our students at the centers and co-operating colleges," Gerhardt added.

Last year 2700 new students entered the College for the fall semester and the number living on campus totaled about 9000. This year's enrollment will bring a marked increase in that number and raise the total enrollment of the College to well over 13,000.
