

New Cabinet Convenes For First Time

Fresh To Elect Class Officers

All-College Cabinet, chief legislative body for student affairs on campus, last Thursday met for the first time this semester to consider current problems. Plans to restore freshman representation on Cabinet after a lapse of several years were passed by almost unanimous vote, thus extending to the 500 emerald-bowed women the right to elect class officers, the president to have a seat on Cabinet.

Ted Allen, All-College president, opened the initial meeting with introductions of the recently elected members of the Cabinet. In addition to the All-College officers, James MacCallum, secretary-treasurer, and Harry McMahon, vice-president, the following organizational presidents are seated on Cabinet: James Balog, senior class; Harry Kondourajian, junior class; Ken Ralston, acting for the sophomore class; William Norcross, AIM; Peter Giesey, IFC; Shirley Gauger, WSGA; Rose Eifert, Leonides; Dolores Jelacic, Pan-Hellenic Council; James Gerdes, AA; Virginia Miller, WRA.

Student Councils

Donald Seipt, Ag Student Council; George Herold, Chem-Phys Student Council; Robert Gabriel, Education Student Council; George Oehmler, Engineering Student Council; Elliot Krane, Liberal Arts Student Council; Robert Anderson, Mineral Industries Student Council, and Physical Education Student Council. Also seated are Thomas Morgan, student publications; Richard Schweiker, parliamentarian. These, together with the sophomore and freshman presidents, and the president of the Board of Dramatics and Forensics and a president of the Home Ec Student Council, will make up the Cabinet for the year.

Action was taken on the planned student government room with the appointment of a three-member committee to seek a location and handle arrangements for fitting it out. Appointed were: George Oehmler, chairman; Virginia Miller, and Robert Gabriel. Reports on orientation week and the collapse of the Blue-and-White Special to West Point were given by McMahon and Morgan, respectively.

Forensic Council

Allen appointed the Forensic Council for this year, naming Christine Altenburger, John Fedako, Peter Giesey, James McDougall, John Meszaros, Barbara Schiffman, Richard Schweiker, Ellamae Seitz, Richard Shultz, and directed Schweiker to call a meeting of the Dramatics and Forensics Board to elect a chairman to sit on Cabinet.

A letter of commendation was received from the national NSA on the excellent delegation sent to the national convention this summer. The delegation was headed by James Bachman, with Lynn Lapp and Leonard Stein. There was also a suggestion made that the class ring be changed to one more symbolic of the College.

The Nittany Lion Roars

For Coach Bill Jeffrey, the smiling Scot, who bossed the Penn State soccer team to a 6-0 opening win Saturday against a supposedly strong West Chester soccer team.

Last year the Blue and White soccer forces finished a nine-game state with only one loss. This year Jeffrey, now starting his 24th at the Nittany institution, hopes to do even better.

Play Casts Announced

Both the Penn State Players and Thespians have completed casting for their respective coming productions of "Ah Wilderness" and "Welcome Willy." "Ah Wilderness," the only comedy written by noted American playwright Eugene O'Neill, will be staged in Schwab Auditorium October 27, 28, and 29, and will be preceded there October 13, 14, and 15 by "Welcome Willy," a parody on the much commented upon American radio quiz show. Directing the Players production will be Robert Kendall, while the Thespians will be under the direction of Raymond Fortunato.

Besides their Schwab Auditorium show, Players will also produce "Glass Menagerie" at Center Stage beginning October 14.

Hetzel Award Established

An annual cash prize and certificate of recognition, to be known as the Ralph Dorn Hetzel Award in honor of the late president of the College, has been established by Mrs. Esther Hetzel, his widow.

The award will be given yearly to the senior "whose achievements scholastically and in other activities of college life gives the highest promise of that kind of useful citizenship in national life expounded by President Hetzel. The purpose of the award is to encourage the kind of achievement President Hetzel believed in."

The amount of the award would be the annual return on \$2,000, and in order that the award may be this year, an additional amount for the first award has been provided.
