Tom Henrich's home run in the ninth inning gave the Yanks a 1 to 0 victory over the Brooklyn Dodgers in the opening game of the 1949 World Series.

G.I. Bill Revised

WASHINGTON—The VA has cancelled its controversial order which restricted the rights of vets to change courses of study under the G.I. Bill. A new set of regulations permits many vets to change courses or schools and gives them other privileges without providing special justification. The abolished order required justification in such cases.

The group's first rehearsal has been called for 3 Carnegie Hall, 7 p.m., Thursday. All interested in singing are asked to be present.

Sponsored by Alpha Rho Omega, honorary Russian society, the chorus represents the first of its kind on campus and is being organized for the main purpose of bringing together students of all nationalities who are interested in promoting Slavonic culture.

Paul Kritsky, society president announces that a program of chorus songs and Cossack dances has already been set for Schwab, Sunday, December 11.

With final registration now completed, more than 10,900 students are enrolled in the College, the admissions office announced yesterday.

Organization Launches Drive For Campus Chapter Members

The campus chapter of National Student Association will hold its initial meeting of the semester tonight and will stress organizational work and an increase in membership of the group.

Students interested in joining NSA may attend the meeting at 7 o'clock in 20 Sparks, Chairman Ernest Ott said yesterday. Special attention is being given to recruiting freshman and sophomore members, he said.

The group this year will work with greater integration with All-College Cabinet than ever before, said Ott. The body is an official committee of Cabinet and receives an annual share from the Inter-Class Finance budget.

Friday Night Set for Rally

What promises to be the biggest pep rally staged this season will be held on the Old Main steps, 7:30 p.m. tomorrow. In the event of rain the rally will be moved indoors to Rec Hall.

"Happy" Harry Kondourajian, junior class president, will Emcee the program. He will be buoyed by the appearance of such apt speakers as college assistant Publicity Director Jim Coogan, if available, and Lion football coach Joe Bedenk along with members of his staff. Also present en masse will be the State football team.

In addition to the usual chorus of school cheers and songs a special surprise feature is being planned.

Plans are already being assembled for the annual homecoming day pep rally which will be held October 14 as a prelude to the Alumni Day football game against Nebraska.

The inimitable Hank Glass will be on hand to lend his usual sharp hand to the proceedings as MC. A host of outstanding alumni guest speakers is being lined up.

Other Projects

Other projects of the NSA will be discussed by David Keller, chairman of the Student Government committee, and Lyn Lapp. NSA was formed only two years ago, at Madison, Wis., but already has chapters in about 300 American colleges and universities.

Several elective offices of the local chapter must be filled this year, since the students who held the posts were graduated last June or during the summer session. These offices probably will be filled sometime this month, Ott stated.

Among the projects of NSA last year was a discount program, approved by All-College Cabinet, under which a student could, for one dollar, purchase a card which would entitle him to a discount on purchases from merchants who would cooperate in a discount system.

Sponsored Concert

The organization also sponsored a concert last January which gave a well-rounded program of jazz and dixie-land music. Plans for forums on faculty rating and curriculum revision, also were outlined last year by the body.

The group also sponsored publication and distribution of a booklet on student government procedures and the various bodies concerned.

Programs for elimination of racial and religious discrimination were among the plans for the state NSA last year. The local chapter sent 12 delegates to the convention at Albright College in Reading.

Cwens' "Dungaree Drag," being held in the Rec Hall from 8:30 to 12 p.m. Saturday, will reverse the usual Emily Post procedure and allow the girls to do the dating. They are also expected to provide their date with a corsage.

Gene Magill's orchestra will provide the music for the informal dance and special entertainment will be provided during intermission. Tickets, priced at \$1.50 a couple, are now on sale.
