# LUCKIES PAY MORE

*to give you a finer cigarette!*

Yes, at tobacco auctions Lucky Strike pays millions of dollars more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco—and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are—how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! It's a finer, milder, more enjoyable cigarette!

**CURTIS A. WALKER**, veteran independent warehouseman of Wendell, N. C., says: "Season after season, I've seen the makers of Luckies buy fine tobacco . . . tobacco that makes a mild smoke. I've smoked Luckies myself for 20 years." Here's more evidence that Luckies are a finer cigarette.
