

Record Homecoming Crowd Expected

Room Scarcity For Old Grads Poses Problem

The largest crowd in the history of the College is expected for this year's Alumni Weekend according to Ross Lehman, Assistant Executive Secretary of the Alumni Association.

Once again, the Alumni Association is faced with the problem of finding accommodations for the alumni.

Ticket sales have already passed the 20,000 figure and officials expect this Saturday's crowd to pass the record-breaking 24,000 which attended last year with the Michigan State-Penn State game as the attraction. Increased seating capacity is expected to bring the larger attendance.

Rooms Needed

More than 100 requests for single and double rooms must be filled in addition to arranging regular hotel and rooming house facilities.

Ridge Riley, executive secretary, has asked that families with extra rooms contact the Alumni Office, by calling 6711, extension 192. A special telephone, number 6673, has been set up to handle homecoming calls. At present, 12 singles and 25 double rooms are needed. Most of the requests are for Saturday night, although a few requests have been received asking for Friday night as well.

Blue Band

In addition to Alumni Day, it will also be the fiftieth anniversary of the Blue Band. The Blue Band was started originally by George Deike as the Cadet Bugle Corps and Band.

Plans for the weekend are almost completed. They include an Alumni golf tournament, the annual Alumni luncheon, a cider party and dance, and an all-Alumni showing of "Welcome Willy."

Fee Collection Set For Friday

Fees for the fall semester at the College will be collected Friday, October 14, in the basement of Willard Hall from 9 a.m. to 4 p.m. (through lunch-time).

Each student may check the exact total of his bills on lists arranged according to matriculation numbers. These lists will be posted inside the building Friday morning to facilitate making out of checks for proper amounts.

Below are a few of the basic fees:

- \$110—General, incidental
- 110—Tuition, non-state residents
- 3.35—5.35—Class Dues
- 8.20—13.50—Orientation
- 1.50—Federal Admission Tax on Athletic Books
- 200—Board (girls)
- 100—Room (girls double)
- 110—Room (girls single)

After computation of total fees due, the \$25 enrollment deposit fee may be deducted. This \$25 will be refunded to vets at a later date. Vets who did not register their certificates of eligibility must pay fees the 14th with rebate later.

Late payment of fees will involve a \$5 additional assessment. Willard Hall is the new building being completed between the Mineral Industries Building and the Armory on Pollock Road.
