

Evans Passes Theta Chi To 26-0 Win Over SAM

With Dave Evans unleashing a devastating passing attack which accounted for four touchdowns and two extra points, Theta Chi overpowered Sigma Alpha Mu, 26-0, in a first round fraternity football game under the arc lights of Beaver practice field Monday night.

In another fraternity game Alpha Gamma Rho blanked Sigma Chi, 7-0, while independent play got started with Dorm 25 eliminating Dorm 28, 7-0, and Dorm 5 setting back the Nittany All-Stars, 6-0.

Bill Clark, Charley Cooper and Chick Cialella were on the scoring end of Evans' passes. Clark gave Theta Chi an early edge when he snared the first of the Evans-propelled touchdown tosses in the end zone after a 20-yard flight.

Evans quickly found the range and twice more before the first half ended Theta Chi scored. Cooper took a 20-yard heave on the ten and negotiated the remaining distance, and Evans tossed to Ralph Moyle for the extra point to run the score to 13-0.

Continuing to hit the mark, Evans started another pass play resulting in a 65-yard score when he tossed to Cooper. Cooper unloaded his burden to Joe Skutches, who in turn flipped to Cialella for the six-pointer. An Evans to George Bope pass accounted for the extra point, and Theta Chi led 20-0 at the half.

Clark was on the receiving terminal of the final fling, hauling in a 15-yard Evans-Cooper aerial at the start of the second half.

AGR Score

Dan Lechner intercepted a pass and tossed to Jim Rockwell to provide Alpha Gamma Rho with the margin of victory over Sigma Chi. The first period play covered 25 yards. Lechner threw to Andy Buchanan for the conversion.

A 20-yard pass, Paul Laplevic to Bob Hagen, gave Dorm 7 a 7-0 win over Dorm 28. Laplevic passed to Don Gaddas for the extra point.

Dick Hench set up and scored Dorm 5's only score. With little more than a minute remaining, Hench took a pitchout from George Downs and raced to the two. A short pass, Downs to Hench, resulted in the score.

With all first round fraternity games completed last night, play will swing into second round competition tonight, the survivors of the first week of competition facing those teams which drew a bye.

Alpha Tau Omega, 12-0 winner over Phi Kappa Psi last Wednesday night, will face Beta Theta

Pi at 8:30 p.m., and Sigma Nu, with a 13-0 conquest of Pi Lambda Phi to its credit, meets Alpha Chi Rho at 9:15.

Dorm 7 and the Little Geniuses will clash in the opener at 7 p.m., and Dorm 27 and Dorm 22 are scheduled to go at 7:45.

Winners of tennis singles matches are requested to call in their scores to the intramural office immediately after completion of games.

IM Swimmers Open Season

Sweeping to victory in all four events, Phi Epsilon Pi inaugurated the fraternity swimming season with a one-sided 28-13 victory over Alpha Chi Sigma at Glensland pool Monday night.

Tau Phi Delta forfeited to Phi Kappa Sigma in the other meet scheduled for Monday night.

Murray Rosetsky, Jerry Weiser, and Burt Bronch contributed individual triumphs to the Phi Ep win, while Al Goldenberg teamed with the three to cop the freestyle relay.

Weiser, a record holder in the 60-yard backstroke, won that event in 42.9 seconds, fully two seconds off his mark of last year. Rosetsky was first to the line in the 60-yard freestyle, winning in 36.5 seconds, while Bronch won the 60-yard breaststroke in 46.9 seconds.

Goldenberg, Weiser, Bronch and Al Goldenberg combined their talents to grab first in the 120-yard freestyle relay, being clocked in 1 minute .05 seconds. Weiser, Rosetsky and Goldenberg were members of last year's record-holding relay.

The swimming schedule for the rest of the week sends Delta Tau Delta against Delta Sigma Phi, and Phi Sigma Kappa against Sigma Chi tonight, the first meet scheduled for 5 p.m.

Beta Sigma Rho is matched against Alpha Gamma Rho and Chi Phi swims against Sigma Alpha Epsilon tomorrow evening.

Zeta Beta Tau and Pi Lambda Phi, and Kappa Delta Rho and Phi Kappa get in the swim Friday night.

Kiner Top Ruth's Mark? "Just A Breeze" --Rosie

By RAY KOEHLER

Unaccompanied by the usual sound of whistles, roaring crowds and Aunt Minnies, Pittsburgh's ace sportscaster Rosie Rowswell spent a few peaceful hours in State College yesterday.

Contentedly sipping on a coke in a downtown book store, Rosie was—as is his want—talking baseball and giving first-hand impressions of the recent world series.

Reason for Rowswell's visit was to chat with some friends between stops of a speaking tour in this territory.

RECORD IN JEOPARDY?

"Ralph Kiner will definitely top Babe Ruth's home run record within the next couple of years," said the versatile Pittsburgh Pirate window-opener.

"He's a grand kid, very much liked by both the fans and players and as clean-cut as the crack of a whip. Why, he actually eats and sleeps baseball."

Asked if he thought pitchers were (for reasons of self-protection or sentimentality) giving Kiner the base on balls, Rowswell said, "No!"

PITCHERS QUESTIONED

A nearby listener asked whether the National League hurlers would ever lay the ball on the line for the Bucs' bully-boy if he ever again approaches Ruth's 60 point denouement.

"If Ralph breaks the Bambino's record I want him to earn it and I know he wants it that way, too."

Has Kiner improved his fielding? According to the small, grey-haired radio-caster, "Yes, he'll never have a great throwing arm, but his fielding has improved considerably."

HORRIBLE SERIES

Moving back to the world series Rosie scrounged his face and threw his hands up in disgust, "I thought it was lousy, lousy. Why, all year Brooklyn has been tottering along with a two-man pitching staff—Elwin (Preacher) Roe and Don Newcombe—and finally the Yanks caught up with them."

But one pitcher I have a world of respect for is Rex Barney. Just like our own Cliff Chambers, he's unbeatable when he can get that ball over the plate."

The commentator was asked how his Pirates fit into the scheme of things in the senior loop next year. "They'll have to

keep on building. Pitching staff was weak the past summer and even though we came up with something like 177 double plays, our keystone combination wasn't too hot."

New Record Set In Bowling League

"Pepper" Martin's record breaking 233-201-201-635 led the Btyflysks to a win over the Plugs Monday night and create a three-way tie in the AIM Bowling League.

The Mets and Nittany Co-op also copped their respective tilts. Taking 6 points, the N F 6 'ers and Gutterballers tied for second place.

Teams interested in joining the AIM Bowling League should contact Don Dymski, Ph-6269. The teams bowl every Monday.

Leonides Devises Voting Districts

An election by all independent women to select representatives to Leonides will be held next Monday night at 10 p.m.

Representatives who are chosen will go to Leonides' Council meeting each first and third Monday of the month. The Council plans the social functions and other activities affecting all independent women on campus.

The living units have been divided into voting districts which will elect one representative and one alternate. Each representative will be responsible for her district.

The number of representatives to be chosen from Simmons is 16; McElwain, 14; Atherton, 24; MacAllister, 13; Woman's Building, 12; and Grange, 1. Each cottage will also elect one representative. Members of the present Council will be present to conduct the elections.

Mixer

A mixer to help all independent women get acquainted will be held tomorrow at 6:45 p.m. in 10 Sparks. A color film will be shown.

Leonides under the leadership of Rose Ebert, president, unlike Philotes, is open to all independent women. Philotes, also an organization for independent women, chooses its members from interested independent women on campus.
