NSA Prexy Suggests Auto Caravan To Pitt

An automobile caravan from State College to Pittsburgh for the annual football tilt with the University of Pittsburgh Nov. 19 was suggested at Thursday night's session of All-College Cabinet.

Several reallocations in student finances were put before the Cabinet, but only was acted upon.

Auto Caravan

The auto caravan plan was presented by President Ernest Ott of the National Student Association, who asked and received from Cabinet approval for NSA to attempt organization of transportation for students to the game. The caravan proposal was presented only as a possible ramification of the general transportation project.

Approval also was granted an NSA proposal that the group be given permission to work out a plan of operations for the proposed student government room and to help staff the room.

Ott, James Bachman and Lyn Lapp reported on the national NSA convention held late this summer.

Reallocations

All-College Secretary-Treasurer James MacCallum suggested five reallocations of finances, four of which cannot be acted upon until next meeting because they involve sums of \$100 or more. They are:

1. Increasing by \$1500 the carry-over fund to cover student government operations until regular funds are received from student fees. The present allocation is \$500.

2. Increasing from \$500 to \$1000 the permanent fund for the 1950 class, to be used for future events, including reunions. MacCallum proposes that the annual allocation henceforth be boosted to \$1000.

3. Allocating \$150 to the scholarships for the new freshman class officers.

4. Setting aside \$100 for the freshman class organizational fund.

Time Tables

Richard Schweiker of the Student Book Exchange asked Cabinet to request Scheduling Officer Ray Watkins to turn over to the BX distribution of the semester time-tables; and Cabinet moved to do so.

Robert Anderson reported that the Council on Racial Equality would hold elections Nov. 1. The senior class will hold its first meeting Wednesday at 7 p.m. in 105 White Hall, and the junior class will meet at the same time in 3 White Hall, it was announced.

The Nittany Lion Roars

FOR Robert Davis, newly-elected president of the Association of Independent Men. Davis, as head of the independent men's group, faces a difficult year ahead. On his shoulders fall the responsibility of directing the political and, to some degree, social life of almost 6,000 students.

It's a hard task, but a proved, competent man has been selected. The Lion congratulates the new AIM head on his election to the post and wishes him success in the coming semester.

Views Desired On Ring Design

Student consideration of possible changes in design of the school ring was suggested following Thursday's Cabinet session by James Balog, chairman of the committee investigating proposed changes.

Balog reported to Cabinet that queries had been sent to some 60 colleges asking information on how they determined designs for their rings.

Balog told the Collegian he hoped to get some design officially adopted this year. The present design never has been approved officially either by the Board of Trustees or Cabinet, he said.

He said he also hoped to see realized a program to regulate distribution of the rings.

Stating that the present ring does not contain symbols associated with the College, he said that the seal in the present design is a cross between the seal of the state and that of the College. The word "The" also is omitted from the official name of the College on the design.

The present design did not become standard until 1927, he added.

Five Beauties Compete For Queenly Distinction

Froth Will Cite Girl Each Month

"Froth is looking for the most attractive coeds on campus, seeking to revive the popular old custom of featuring a Froth Girl every month," Jack Senior, promotion manager of the magazine said recently. He also revealed that any coed may submit pictures of herself or friends, or that any group may sponsor its prettiest female associate.

Portraits or snapshots should be turned in at once to the Student Union. Selections for the Froth Girl of December will be made within the next two weeks, and each month thereafter another will be chosen.

The practice of printing coed-of-the-month pictures was discontinued last year, but evidently the power of women was underestimated, for they are back. The culmination of the search for beauty comes in the annual spring contest, when a Miss Penn State is chosen.

Froth continues to encourage writers to submit articles of satire, humor, verse, features on sports or personalities, as well as cartoons and outstanding photographs.

Parties Plan Class Elections

Both the State and Lion parties will meet tomorrow evening to advance their plans in preparation for the Nov. 15 elections for officers of the freshman and sophomore classes.

The Lion party will get into the ring early, plans calling for preliminary nominations for class officers at the 7 p.m. meeting in 121 Sparks. Final nominations are to be held the following Sunday evening and the campaign will begin about ten days before the election.

Election of clique officers will be held by the State party, meeting at the same time in 10 Sparks. To be elected are a clique chairman, vice-chairman and secretary-treasurer, in addition to chairmen for the four classes.

Frosh Nominate WSGA Group

Nominations for members of Freshman Women's Council, freshman regulatory body of the Women's Student Government Association, will be held in Atherton Hall at 9:30 p.m. Monday.

Nominations will be conducted for unit officers, and the president ultimately elected will serve as a member of the Freshman Council. A vice-president, secretary and treasurer for each unit will also be nominated.

Final voting will be held Monday, Oct. 31, after names have been posted for a week in the dormitory, as required by WSGA regulations.

Tentative plans have also been made by WSGA to hold a mass meeting of sophomores and freshmen for the nominations of coeds to serve as sophomore senator and treasurer of WSGA. These nominations and elections will be held in conjunction with those of WRA.

Five of the leading campus beauties will appear at the Belle Hop Ball tonight in Rec Hall.

The dance, sponsored by the Junior Hotel Greeters Association, will be held in Recreation Hall tonight from 8 to 12 o'clock.

The five finalists are Lois Brown, Jo Hutchon, Peg Mayberry, Sally Shoemaker, and Isael Sorenson. Judges selected the finalists from photographs submitted by various campus organizations.

Queen of the ball will be chosen by popular applause during intermission at the dance. Each girl will be presented with a corsage.

The sponsoring organizations for the finalists were Delta Upsilon, Miss Hutchon; Leonides, Miss Mayberry; Sigma Nu, Miss Brown; State Party, Miss Shoemaker; and Zeta Tau Alpha, Miss Sorenson.

The queen will receive two tickets for the Pitt-Penn State game and reservations for two single rooms at the William Penn Hotel in Pittsburgh.

Tickets priced at \$2 per couple may be purchased at Student Union, in front of the Corner Room, and at the door.

Refreshments will be served during the dance, and cigarettes given out at the door.

The Junior Hotel Greeters Club is an organization sponsored by the department of hotel administration in the School of Home Economics.

U.S. Orders Cut In Rail Service

WASHINGTON—The Government has ordered a 25 per cent reduction in service on all railroads with less than a 25-day supply of coal, effective next Tuesday midnight. The Interstate Commerce Commission said that order will continue in effect for two months.

The move is perhaps a hint that government seizure of struck coal mines is not far off, the agency explained.

Russians Indicted

WASHINGTON — Russia's trading corporation in the United States, AMTORG, and six of its officers have been indicted for failing to register as agents of the Soviet Union. One of the officials is in Russia, but the five others are in the United States. The five have already been arrested by FBI agents in New York.

Reds Receive Sentence

WASHINGTON—Judge Harold Medina pronounced sentence yesterday on the 11 top communists convicted of conspiring to teach the violent overthrow of the United States government. Ten of them were given five years in prison plus a \$10,000 fine, and the 11th, because of a fine war record, received three years and a \$10,000 fine.

Johnson For Unification

WASHINGTON—Defense Secretary Louis Johnson let it be known yesterday that he is 100 per cent behind unification. He said that there is an essential role for each branch of service under the program. Johnson said he is doing what he believes is right to give the American taxpayer his full dollar's worth. As the house hearings ended, unification, as such, was given a pat on the back by both our wartime Army Chief of Staff, General George Marshall, and former President Herbert Hoover.
