

# Murray Wins Award As Week's Top Player

Big tackle Don Murray yesterday won the third weekly State College Commerce award for "outstanding player of the week" for his bruising line play against Syracuse here last Saturday.

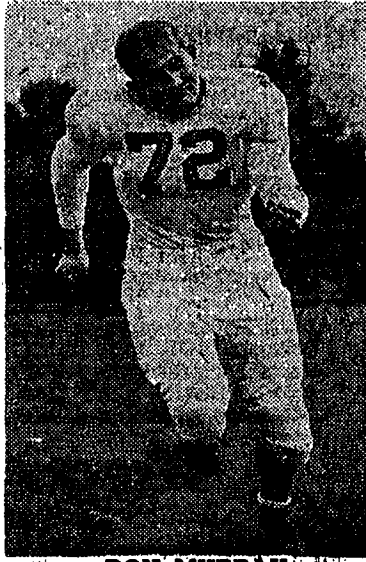

The 235-pound, six-footer from Easton was named for continuously outcharging his Syracuse opponent, making a majority of the tackles, rushing the Orange passing ace, Bernie Custis, and slowing the Syracuse ground attack in general.

On the offense, the 20-year-old senior helped clear most of the gaping holes that enabled the Lions to move for their 33-21 victory.

### FORMER WINNERS

Bill Luther, Lion tailback, and Fred Felbaum, guard, were previous winners of the award. Luther was named for his outstanding play at Michigan State, and Felbaum for his sterling lineplay against Nebraska.

A committee, named by the Commerce Club, selects an outstanding Penn State player each week. The committee uses movies as well as watching the game to make its selection.

DON MURRAY

# Nelson Breaks Own Swim Mark

Harry Nelson, Alpha Sigma Phi, continued to lower his own intramural 60-yard breaststroke mark. He broke his own record for the second time this season, in leading Alpha Sigma Phi to a 30-11 victory over Delta Chi in Glennland Pool Tuesday afternoon. Phi Kappa Sigma toppled Pi Kappa Alpha, 26-14, in another IM meet.

Having lowered the mark set jointly by himself and Bob Krayer of Delta Chi to 42.8, on Oct. 19, Nelson chopped another five-tenths of a second off the standard in edging Krayer by less than a yard.

Ralph Shiner copped the free-

style and Bill Hammel took diving honors in Alpha Sigma Phi's 30-11 rout of Delta Chi. Nelson and Shiner teamed with Dick Young and Joe Murphy to give Alpha Sigma Phi the freestyle relay. Bob Hartley was Delta Chi's lone winner, taking the backstroke.

Gene Chylak, Ron Coder and Bob Richardson starred in Phi Kappa Sigma's victory. Chylak annexed the freestyle, Coder the backstroke and Richardson the diving. Richardson anchored Gene Truitt, John Wylie and Dale Smith to victory in the freestyle relay.

# Haven, Crackers Face-off Tonight IM Games Continue

Penn Haven will be faced with the difficult task of stopping the aerial bombardment of Cy Troyan when it clashes with the Coalcrackers in an independent touch football quarter-final game under the lights of Beaver practice field at 9:15 p.m. tonight.

Troyan continued to play the role of a one-man air force as he passed for four touchdowns and two extra points and scored another extra point as the Coalcrackers routed the Brown Baggers, 27-0, Tuesday night. In three games this season, the five-foot, seven-inch junior has passed for 13 touchdowns, and ten extra points, and scored one touchdown and an extra point.

In other IM touch football games, Penn Haven edged out Beaver House, 1-0, to gain the dubious honor of combating Troyan and his crew. Lambda Chi Alpha shaded Pi Kappa Alpha, 1-0, in overtime, and Theta Chi gained a 7-6 extra period victory over Alpha Gamma Rho.

Troyan started the Coalcracker's aerial circus rolling early in the first half when he tossed a 20-yard pass to Marsh Manello. Before the half was over, Troyan connected again, this time with Leo Witcoski on the receiving end.

### TERMINAL

Ed Sugrue was the terminal for Troyan's third TD toss of the evening, taking a 5-yard pass in the end zone. Tom Shuptar took Troyan's final throw and raced 30 yards for a 60-yard TD.

Doc Meiderer came crashing through on defense to throw Beaver House for a 10-yard loss on the third play of the overtime period, to give Penn Haven its margin of victory.

Theta Chi registered a 7-6 decision over Alpha Gamma Rho to move into the quarter finals of fraternity play.

Lambda Chi Alpha qualified for the quarter-finals when it gained a 1-0 victory over Pi Kappa Alpha.

# Debate

(Continued from page one)

ried the negative side to victory, as Benn pointed out that world peace could best be achieved through the U.N., and an Anglo-American alliance could only split nations into two armed camps of communism and capitalism.

There will be no judging at this year's debate. An open forum with audience participation will follow the regularly scheduled debate. Admission will be free and the debate is open to the public.

# Lion Soccer Unit Opposes North Carolina on Saturday

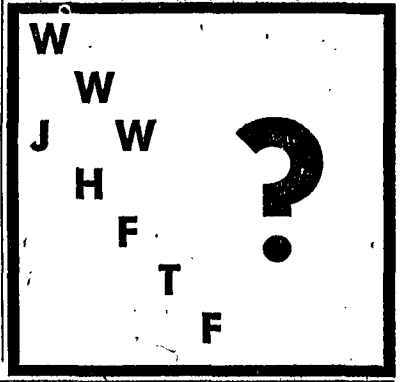

Laying their eleven-game unbeaten skein on the line this Saturday, the Nittany soccer forces square off against North Carolina on the Beaver Field soccer layout.

North Carolina, regarded as one of the Southland's best, will fly to the Nittany Valley for this weekend's tilt with the highly regarded Lions of Coach Bill Jeffrey.

Jeffrey will endeavor to teach the Tarheels a lesson in ball-handling, one of the strong points of this year's unit, which has romped over West Chester, Bucknell, Navy, Colgate and Syracuse.

Spearheading the soccer attack this fall are Ted Lieb, a senior; Joe Lane, a junior; and Ron Coleman, a sophomore.

Lane currently is leading the scoring parade with Lieb holding down runner-up spot. Coleman, although plagued by a midseason injury, is still one of the strong points in the forward wall.
