Gauger Announces Freshman Return 'Pop-in-Night'

A second "Pop-In-Night" will be held this Sunday evening from 7 to 9 o'clock so that freshmen can return the visits from the upperclass women, according to Shirley Gauger, president of WSGA.

Upperclass coeds visited the freshmen in Atherton Sunday evening as the first phase of WSGA's traditional custom established to help the women of the College become better acquainted.

Freshmen coeds are asked by Miss Gauger to visit as many upperclass women as possible during the two-hour period. All upperclass women, living in Simmons, McElwain, and Grange, are also requested to make the "Night" a successful event by remaining in their rooms at that time.

There are seven leagues of table tennis with 28 teams taking part. Sixteen sororities are participating, 10 living units, Leonides, and Phitotes. These matches are played at the same time as the basketball games. The winner must win two sets out of three. Teams of singles and doubles are scheduled.
