

DTD Defeats Sigma Chi, 24-17, For Swim Title

Jack Wallace came from behind in the final 30 yards of the 120-yard freestyle relay to give Delta Tau Delta a dramatic victory and the fraternity intramural swimming championship yesterday afternoon at Glennland pool. The triumph in the final event of the meet enabled Delta Tau Delta to set back Sigma Chi, 27-14.

Although leading by a 19-17 score at the time, DTD needed the 5-point win in the relay to clinch the meet. Wallace proved himself equal to the task. Taking over with a two yard deficit, he overtook Sigma Chi's Jack Long midway through the 30-yard anchor leg, and surged ahead to a clear-cut one yard win. The winners were clocked in 1:04.5.

Tom Grifferty put DTD out in front on the leadoff leg, touching out Rex Lord, but Sigma Chi's Bob Koelle reversed the situation, catching and passing Bob Burns. Tony Pilleggi stretched Sigma Chi's margin to two yards, but it evaporated before Wallace's determined assault.

Early Lead

Delta Tau Delta piled up what appeared to be a convincing margin, taking the first three events. But with the score showing DTD ahead, 18-9, Long and Mike Kurowski, the latter the Lion of football game fame, swept first and second, respectively, in the diving event, shearing DTD's lead down to 19-17 and setting the stage for Wallace to come from behind to clinch the meet for DTD.

Wallace started the afternoon right for the Deltas, stroking to a 3.36 seconds win in the meet-opening 60-yard freestyle. He was trailed by Long and Lord. Bob Johnson, former record-holder in the backstroke, kept things going the DTD way, copping the 60-yard backstroke in 41.6 seconds, followed closely to the finish by teammate Bob Burns. Kurowski was third.

McMahan Wins

Harry McMahan took the 60-yard freestyle in 45.5 seconds, and was trailed by Sigma Chi's Tom Overdorf and Dick Hartle. Delta Tau Delta's Don MacMahon finished second but was disqualified.

Philadelphia area youths slated to see action against Temple are Len Shephard, of Narberth; Scatback Earle Mundell, of Ambler High fame; Dick Cripps, sophomore tackle, of Upper Darby; and another sophomore stand-out, guard Jim Barr, of Ardmore.

Lion Booters Risk Untarnished Record

Whether 13 is an unlucky number or not is a much debatable fact. The Nittany soccer Lions will find the answer at College Park, Md., tomorrow when the booting forces tangle with Maryland.

Out to stretch its current unbeaten skein to thirteen, Penn State will meet its toughest opposition thus far in the Terrapins.

Until last Saturday the Nittanians had ran roughshod over all opposition, but they were limited to a one-goal, 3-2, victory by North Carolina.

"We had the better ball club," Jeffrey comments now, "we had a two goal edge all the way, except for the last half-minute of play."

"I think Maryland will even be a little stronger than North Carolina. They beat Virginia 10-1 while Carolina only got by them 1-0," Jeffrey continued.

MARYLAND RECORD

Other Maryland victories were a 3-1 victory over Gettysburg and a 4-3 win over Loyola.

Temple, annually an Eastern soccer power along with Penn State, tacked a 1-0 defeat on Maryland, their only setback this season.

In galloping to six straight this year the Men of Jeffrey bounced West Chester, Bucknell, Syracuse, Colgate, Navy and North Carolina.

"Maryland will be a touch customer," Jeffrey laments, "they have two outstanding players in Jim Belt and John Linz."

Belt, an inside left performer, was a member of Jeffrey's all-star team which toured the West two years ago. He and Linz were also members of Jeffrey's collegiate all-stars who opposed a New York all-star combine last spring.

LINEUP

Jeffrey plans to stick with the same starting lineup with which he has been so successful during the last few games.

Joe Lane, who is currently leading the scoring parade with eight goals, will start at center-forward while scoring runnerup, Ted Lieb will start at outside left.

Other starting forward performers are Clarence Buss, Harry Little and Ron Coleman. The Lions' All-America combo of Dick Hannah and Ralph Hosterman, along with Will Kraybill, will be the starting halfbacks.

Greeting the opening whistle at the defensive posts will be George Lawther at goal, and Chuck Margolf and Bill Yerkes at the full-back slots.

The Drazenovich boys, Charley and Joe, Negley Norton and Bob Hicks all have played against Temple on three prior occasions.

Davis Downs Brown In IM Tennis Play

Ed Davis, Phi Kappa Sigma, advanced into the semi-finals of the championship flight in the fraternity tennis singles tournament by downing Don Brown, Chi Phi, 6-3, 6-2. Monday.

Matches yet to be played in the championship flight pits together three men who played in the flight last year. These men are: Mark Borland, Phi Gamma Delta; Dick Flemming, Delta Up-

silon; and Paul Hallman, Sigma Pi.

Borland, who was eliminated in the finals last year, meets Harry Kauffman, Phi Epsilon Pi, in a quarter final match. Flemming, who reached the semi-finals last year, squares off against Bill Wood, Delta Chi. Hallman, another semi-finalist last year, takes to the courts against Bill Erb, Phi Kappa Psi.

Last years champion, Bill Aikin, Phi Delta Theta, made the varsity squad and therefore is ineligible to play in intramural tennis competition.

Harriers Out for Third Win; Journey to Manhattan College

Penn State's cross country team will close its dual meet season tomorrow when the Nittany harriers invade New York City to match strides with Manhattan College.

Coach Werner has selected eight members of his squad to make the trip to the big city for Saturday's battle against Manhattan. Captain Bob Parsons heads the all-junior group which also includes the

Ashenfelter brothers — Don and Bill, Bob Freebairn, Jack St. Clair, Al Porto, John McCall and Bill Gordon. The team left Lewis-town by train at 7:23 a.m. today and will arrive in New York in time for a brief workout this afternoon.

The meet will be run over the Van Cortland Park course which is the same distance as Penn State's course, five miles.

INACTIVE

The Nittany team was inactive last week insofar as intercollegiate competition was concerned. But the team furnished its own competition in the form of an intra-squad meet.

One of the most surprising features of the meet was the showing made by Bill Gordon, Gordon, who had previously displayed little to rave about this season, came home in first place, leading such stalwarts as Bob Freebairn, Bill Ashenfelter, Parsons, St. Clair and McCall to the wire. However, it must be pointed out that both Don Ashenfelter and Al Porto, who ran on Friday night instead of Saturday with the rest of the team, turned in better times than Gordon.

Both Coach Werner and Assistant Coach Norm Gordon are full of praise for the Nittany hill-and-dale crew.

"This team is one of the best that we have seen anywhere," Werner said. Each week a different boy turns in a top perform-

ance. This is not due to the failure of the rest of the team to perform up to par. This team has been, and still is, steadily improving.

GOOD SHAPE

"Outside of knee injuries to Bill Ashenfelter and John McCall the team is in good physical shape," the Coach said.

The Lions will take a record of two victories and one defeat into the Manhattan contest, having conquered NYU and Cornell and falling victim to powerful Michigan State.

Manhattan, on the other hand, will enter the meet with a mark off three wins and two setbacks plus a victory in the Metropolitan Intercollegiate Championship meet, which it won Tuesday in easy style.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

FOR A WHILE, Sheedy's life story was a pretty sad tale. People rode him about his wild, unruly hair. And it wasn't until his favorite filly gave him the gait that he decided to do something about it. He trotted down to the corner drug store and bought a bottle of Wildroot Cream-Oil hair tonic. You should see him now! Non-alcoholic Wildroot containing Lanolin keeps his hair neat and well-groomed all day long. No more annoying dryness, no more loose, ugly dandruff.

Take a tip from Sheedy. If your sugar balks when you ask for a date, you need Wildroot Cream-Oil right away. Get it in bottles or tubes at your local drug or toilet goods counter. And ask your barber for professional applications. You'll be a winner every time!
