

# Ice Rink Report Made To All-College Cabinet

Provisions for the construction and operation of a student ice-skating rink were submitted to All-College Cabinet in a report presented at a meeting of the group Thursday evening.

Prepared by Robert Fast, who is acting as a one-man committee of investigation for the project, the report recommended:

1. The rink be constructed and maintained by the department of physical plant on the practice football field.

2. Four hundred dollars be provided by the College to cover construction and maintenance costs.

3. No charge be made for the use of the rink by students.

4. Other provisions, including policing of the rink and a skating schedule, be decided upon at a later date.

Cabinet accepted the report as complete but did not act upon it.

Fast said that the administration, the School of Physical Education, and the department of physical plant are sympathetic with the general plan.

Efforts made last year to provide skating facilities for the student body met with little success. During the Christmas holiday, snow banks were constructed and the practice field flooded. Moderate temperatures, however, dis-

rupted plans and a suitable layer of ice never was obtained.

There must be frost in the ground, Fast explained, in order to keep the water above ground level. Also, two or three floodings are needed to obtain a satisfactory skating surface.

"Preparations for the flooding of the field," Fast added, "probably will be made during the Christmas vacation since the best skating weather comes in January. Of course, the success of the program depends to a large extent on the type of weather we get."

Campus ice-skating reached its greatest degree of success in recent years in 1938, when a long stretch of cold weather gave students 31 days of skating. The rink then was located on the tennis courts opposite Jordan Hall.

will trade. Caldef, Acacia.  
PERSON mistaking neutral shade gabardine topcoat at Penn State Photo Shop Monday evening please call Woolver, 3308.

WILL THE PERSON who left his Navy jacket with the inscription "2nd Amphibs" on the back, in the diner on Friday, Nov. 5 at 12:45 and took mine instead. Call George at 2214.

### FOR SALE
