

# Ath's NW-I, AOPi, KAT Topple from Undefeated

The list of the undefeated dwindled in the first three nights of play in WRA basketball this week.

Tuesday evening was the evening for one team to fall from the victor's column. Kappa Alpha Theta lost a very low scoring contest to the Delta Delta Deltas. The final score was 14-8. The Tri Deltas had been once defeated by the powerful Alpha Gamma Delta squad.

Also on Tuesday the very strong Gamma Phi Betas downed an outplayed Kappa Kappa Gamma team. Though the Kappas had lots of determination the all-powerful combination of Garretson, Wolfe, and Brunner proved too much as they lost 44-18.

Teress Sheehan led the McElwain A team to their first victory. McElwain outscored the Kappa Deltas 19 to 12.

The Alpha Gamma Deltas continue to loom in the horizon as a squad out for the crown. The high-scoring team led by Bess Kriner swamped the Chi Omegas 40 to 18.

On Wednesday the Delta Gammas won from the previously unbeaten Alpha Omicron Pi's. Both teams had tallied over their opponents by wide margins and large scores. This match turned out to be a tight, low-scoring duel with the Delta Gammas coming out on top 23 to 15.

MacAllister won handily from Hemlock Cottage. Marty Martin's 16 points paced the winners to a 35 to 17 victory.

Women's Building remains undefeated as they won by forfeit from Spruce Cottage.

Joan Burlein starred for the Co-op as they went on to over-

come the Alpha Chi Omegas 30 to 16.

Monday the freshmen of Atherton Hall continued to battle it out for dormitory champs. NW I lost to SW I for their first upset. The score was 26 to 12.

SW II downed NW II by the score of 26 to 0. Aneta Tyler's 12 points was the highest for the winners.

SE I remained unbeaten as they won from NE II by forfeit. SE II also forfeited to NE I.

## City Panhel Holds Semi-Annual Tea

Members of City Panhellenic held their Fall semi-annual meeting and tea in Atherton Lounge on Tuesday night. Members of the College Panhellenic Council were guests of the group.

Mrs. Charles Stoddard, Pi Beta Phi and president of the City Panhel, conducted a short business meeting which culminated in a donation by the group of \$10 to the GI nursery school in town.

Purpose of the meeting was to take care of the minimum amount of business, and of the tea to acquaint town sorority members with the College Panhellenic members. Two College representatives of each sorority were present as well as any members of any sorority, which is a member of the National Panhel, and who wished to attend the tea and meeting.

Reports from approximately half the sorority groups at the College concerning their philanthropic work throughout the year were heard.

## Coed . . . Corner

By Commie Keller

Only five days remain during which women students and women's organizations can contribute to the annual WSGA Christmas Drive.

WSGA has set a goal of \$500 to be gained through donations and has computed that an approximate 30c from each woman student would easily supply this sum. Actually about \$750 should be available through this means alone.

Coeds, however, do not have to contribute the entire sum, for such organizations as Cwens, Chimes, Mortar Board and WRA annually make donations.

In previous years the goals set by WSGA for this drive have not been realized and the possibility readily exists that the same performance may be shown by the indifference of coeds.

That the proceeds of the drive really benefit worthy organizations should not be the question in deciding whether or not to contribute; rather the question will be whether or not coeds may shake off their indifference to walk a few steps to contribute and whether WSGA solicitors can take the time to successfully campaign for the drive.

Responsibility for the success of the drive rests on both groups. The challenge is presented and in five days time it will or will not be answered.
