

Glee Club Lists Seven-Stop Concert Tour

Appearances in seven cities in western Pennsylvania, New York, and Ohio have been scheduled by the Penn State Glee Club for its 1950 spring concert tour, Director Frank Gullo announced recently.

The group will open its itinerary in Johnstown March 17 and move on to Indiana, Pa., March 18. After a brief return to campus, the club will take to the road on March 27 to present a program in Erie. This will be followed by concerts in Greensburg March 28, Cleveland, Ohio, March 29, Buffalo, N.Y., March 30, and the closing performance in Ridgway, Pa., March 31.

Penn State Alumni Clubs in each of the cities visited by the Glee Club will sponsor the concerts, with the exception of Cleveland. There the performance will be sponsored by a service organization.

Features Quartet

The Glee Club, now in its 59th year, was organized in 1891 and consisted of 12 members. Since that time it has grown steadily until it now boasts 120 members. A regular part of the organization is the varsity quartet which completed its 47th season this spring. The quartet, composed of Richard Goodling, Maynard Hill, Edward Raffensberger, and Charles Sullivan, will present special numbers at each concert.

A successful eastern tour was made this past spring with the group appearing at the Philadelphia Academy of Music where it was favorably received by critics. The club also made a guest appearance on Fred Waring's radio program.

Blue Key Boosts Hospitality

Blue Key, national honorary hat society, has recently made visiting athletic teams feel more at home while at State.

Through the publication of a booklet entitled "Welcome To Penn State," the organization has set up a guide for the use of those unfamiliar with the College. The booklet includes briefs on the school, its foundation, enrollment, and administration. It also contains a sketch on the Athletic Association and a directory which lists the addresses and phone numbers of the fraternities, dormitories and town houses.

In addition to this service, Blue Key has made further plans to accommodate the visiting teams. These plans include the inauguration of a hostess system, whereby incoming teams would be provided with meals at fraternity houses, passes to athletic events, and access to other campus activities.

To be eligible for service under the Hostess system, the teams would merely get in touch with the manager of their particular sport at the College and advise him of the expected trip. The manager would then meet with Blue Key and make arrangements for the stay of the team.

Military Accommodations

In answer to requests from students, the State College Commerce Club will provide housing accommodations for week-end guests attending the Military Ball. Anyone wishing to make arrangements for that week-end may apply at the State College Commerce Club between 9 a.m. and 5 p.m., Friday or Saturday.

Penn Dean To Talk About Law Schools

Under the auspices of Pi Lambda Sigma, the pre-legal honorary, Assistant Dean Donald M. Cunningham of the Law School, University of Pennsylvania, will speak on "Law School and Its Various Phases," today. The meeting will be held in

Room 217, Willard Hall at 3 o'clock this afternoon.

Everyone is invited to attend but a special recommendation to attend this meeting was made yesterday by Frank McNelis, society president, to persons interested in pursuing further legal studies. Much vital information will be gained, he said.

NO CIGARETTE HANGOVER

when you smoke PHILIP MORRIS!

In just a few seconds you can prove
PHILIP MORRIS
IS DEFINITELY LESS IRRITATING
than the brand you're now smoking!

1... light up a PHILIP MORRIS
THEN, just take a puff—DON'T INHALE—and s-l-o-w-l-y let the smoke come through your nose. Easy, isn't it? And NOW...

2... light up your present brand
Do exactly the same thing—DON'T INHALE. Notice that bite, that sting? Quite a difference from PHILIP MORRIS!

NOW YOU KNOW WHY YOU SHOULD BE SMOKING PHILIP MORRIS!

Everybody talks about PLEASURE, but only *ONE* cigarette has really done something about it. That cigarette is PHILIP MORRIS!

Remember: *less* irritation means *more* pleasure. And PHILIP MORRIS is the *ONE* cigarette proved definitely *less* irritating, definitely *milder*, than any other leading brand.

NO OTHER CIGARETTE CAN MAKE THAT STATEMENT.

**YOU'LL BE GLAD TOMORROW—
YOU SMOKED PHILIP MORRIS TODAY!**
