*Two things every college man should know!*

**1** This is a prom trotter. All she needs for a weekend is a hop, sip, and a chump. Thinks colleges are halls of yearning. Usually dances to meet the band . . . but goes wild about "Manhattan's" Wildlife ties.

**2** These are "Manhattan" Wildlife ties. Hottest thing under a collar this fall. Bright colors, gay prints—made to tie right, resist wrinkles.
