

Leonides, McElwain B Fight To Thrilling 32-32 Draw

The Leonides-McElwain B meeting proved the thrilling game in WRA basketball play Thursday evening. The final score was a 32-33 draw. McElwain B, the team Leonides had beaten so easily last time, was leading by seven points at half-time.

Zeta Tau Alpha continued its high-scoring winning streak by downing the Alpha Xi Delta's, 34-7.

In one of the lowest scoring contests in a long time Theta Phi Alpha defeated Philotes by 8-5.

Forwards Zimmerman, VanVactor and Robb led the Phi Mu's to a 24-2 win. The Phi Sigma Sigma girls were the losers.

The Town girls got back into the winning column by downing Simmons, 16-11.

A game which previously aroused much enthusiasm was the Alpha Epsilon Phi game with the Sigma Delta Tau's. Once again the Alpha Epsilon Phi squad beat the Sigma Delta Tau's by a score of 15-6.

Zeta Tau Alpha, Phi Mu and Leonides remain on top, undefeated in Thursday night play. However, Leonides has now tied one game.

small amount in comparison, but Keller said that Cabinet does not bother to find how NSA money is spent.

Keller declared that an import housing problem does not exist and that Interfraternity Council "should say so." Daniel de Marino, assistant dean of men, recently prompted a study of "the import housing problem" by the Committee on Student Welfare.

Panhel System

He criticized the Panhellenic Council system of rotation of office. The Panhel president's office rotates among the 19 sororities; every 19 years a sorority has the president. Keller said this often prevents consideration of the best available candidates.

Keller also said that Cabinet should find why the College refuses facilities to townspeople. The Junior Chamber of Commerce was denied use of the TUB during Thanksgiving vacation for a teenage mixer. He said Cabinet should find out, "who wants the policy," and mentioned that the Bellefonte-State College high school game on New Beaver field violates it.

Penn State Club To Hold Mixer

Orders were taken for club jewelry, and those not present at the meeting can see Frank Robinson, club treasurer, to order their pins or keys.

Lakonides Holds Student-Faculty Tea

Sponsored as an annual affair, the tea helps women students in physical education to become better acquainted with the faculty in their school. It is also for the purpose of fostering closer relationships between the girls themselves.

Among the guests were Carl Schott, dean of the school, and Dr. and Mrs. Jones. Miss Mildred Lucey, Miss Dorothy Briant, Miss Freda Philips and Dr. Ellen Kelley poured tea and coffee. Members of Lakonides acted as hostesses.

Panhel Pledge Tea Sponsored Today

All sorority pledges and members of Panhellenic Council are reminded of the Panhellenic pledge tea which will be held in the main lounge of McElwain Hall from 2:30 to 4:30 p.m. today, by Carolyn Dehart, chairman of the affair.

A similar tea was held for the first time by Panhel last year in an effort to replace the many pledge teas held previously by individual sorority pledge classes.
