

# WRA Basketball Enters Last Week Before Playoffs

Next week WRA basketball enters its last round before the playoffs with five teams still remaining undefeated in the nine leagues.

Monday evening finds the Atherton teams from leagues I and II competing, with the powerful SE-I sextet dominating these leagues, Ath NW-I seeks revenge in the first game for an earlier defeat by Ath SW-I which knocked Ath NW-I from the ranks of the undefeated. Ath NW-I and SW-II tangle at 6:30 p.m. with Ath NW-II still seeking its first victory. Ath SW-II has a record of 3 wins to 2 losses.

Ath SE-I will attempt to continue its winning streak when it meets Ath NE-I which it previously defeated 16-5. Also in league II, Ath NE-II will play Ath SE-II.

## Bowling—

*(Continued from page one)* especially for the youth of the town. . . . Since I look upon bowling as a community recreation as much as a business, I do not feel that increased prices is the answer.

"Council appropriates money for playgrounds which operate only three months a year. Bow-

ing is a nine-month recreation which costs the borough nothing, and which is enjoyed by a cross section of the entire population of the town and campus. As such I think it is entitled to consideration from Council, to much more consideration than Council has shown any inclination to give it so far.

"And so with deep regret, I feel that I have only one course left open to me . . . I shall close the doors."
