

WSGA Appoints Gay Brunner May Queen Finalists . . . As New Judicial Chairman

Gay Brunner, upon recommendation of Judicial and approval of WSGA, has been named new Judicial chairman, Constance Croushore, past chairman of Judicial, announced recently.

The action was approved by Senate at the same time in which four present sophomore coeds were appointed to serve on Judicial during their junior and senior years. These girls are Jeanine Bell,

Gay Brunner

Eleanor Griffeth, Myrna Issacman, and Virginia Preuss.

At the past Senate meeting the name of the present Freshmen Customs Board was changed to the Freshmen Customs and Regulations Board. The step was taken upon recommendation of Jessica Lightner, chairman of that body, to avoid the confusion which ensues when customs are officially over and regulations still in effect.

Barbara Sprengle, newly elected president of WSGA, Virginia Miller, new vice-president, and Miss Ella Mae Jackson, assistant to the Dean of Women, will leave soon for Madison, Wisconsin, to attend a regional women's government conference at the university there.

Is This a Way to Live ?

Ever think of a tent as a home? Ever know the insecurity of flapping canvas? Or the misery of parching sun?

This mother and child ask your help in getting a permanent roof. They ask, "Is this a way to live?" They are typical of 90,000 homeless persons in Israel's temporary reception camps. They are but two of the 250,000 Jews in Western and Eastern Europe who know no roof. They symbolize the 800,000 Jews living in poverty and need in Moslem lands.

Your contribution to the United Jewish Appeal will aid this mother and child as well as the other homeless persons find a home and a new way of life.
