

Coeds Elect Loraine Stotler To Reign As May Queen

Jo Hutchon To Serve As Maid of Honor on May 13

Blue-eyed Loraine Stotler will reign over May Day, May 13, as a result of Wednesday's elections. Blonde-haired freshman Jo Hutchon will be Maid of Honor, decided 487 women voters.

The Queen will have Arlene Connor and Tori Williams as senior attendants. Barbara Baker and Sue Knapp will be the freshman attendants. Arlene and Tori are runners-up for May Queen. Barbara and Sue ran for Maid of Honor.

Pictures of the Queen and her attendants will be displayed in the window of the telegraph office.

All three girls who ran for Queen are brunettes. Loraine and Tori have blue eyes. Arlene's are green. All are 21 years old. Arlene and Tori are engaged; Loraine is pinned.

Dimpled Loraine is the shortest. She is 5'7" tall, and weighs 125. She is a secondary education student majoring in English. Loraine is the senior class secretary-treasurer, and on the Senior Ball committee. She is a former member of Chimes, and her name appeared in Who's in the News at Penn State. Loraine is the past recording secretary of Gamma Phi Beta. As a sophomore, Loraine was Maid of Honor on May Day. She claims New Texas as her hometown. The Queen-elect is interested in dancing and swimming.

Tori Williams is a 5'7½" brunette, weighing 125 pounds also. Active in Thespians and ACE, Tori is a Delta Gamma. She is an elementary education major from Cape Girardeau, Missouri. As a freshman, Tori was attendant to the Football Queen at Southwest Missouri State College. When Tori came here as a sophomore, she was attendant to the Maid of Honor, Loraine Stotler. In her senior year in high school, Tori was attendant to the May Queen. This dark-haired lass with a midwestern accent is interested in camping, hiking, and swimming.

Arlene Connor, the tallest of the three, is 5'8" and weighs 130. She is a Home Economics student who was initiation chairman of Gamma Phi Beta. As a freshman, Arlene was Snow Queen at Mansfield State Teachers College. Stately Arlene, who is from Orangeville, enjoys music, plays the piano, and her tastes in sports run to bowling, for participation, and football, as a spectator sport.

Jo Hutchon, a 19 year old freshman, who was selected Queen of the Belle Hop Ball this fall, adds another beauty honor to her slate, as she becomes the Maid of Honor for the coming May Day. Jo, a blue-eyed blonde, is 5'6½" and weighs 122. An Arts and Letters major, Jo comes from the nation's capital. Jo's activities include Collegian, Modern Dance club, and Inking candidate. Jo was named Miss Central High in 1948.

Barbara Baker, a Liberal Arts student majoring in art and advertising, is from Sunbury. She is a Delta Gamma pledge.

Sue Knapp, who is from Doylestown, is a Home Economics student majoring in child development. Sue is a Kappa Alpha Theta pledge.

Leonides, Simmons Vie For VB Crown

Vying for the volleyball championship are Simmons, League V, and Leonides, League IV winners. The powerful Leonides eight won their place in the playoffs by trimming McElwain, 34-12, in the Wednesday night semi-finals. With an unbeaten season behind them, the smoothly operating Leonides crew didn't give McElwain a chance to score. Terry Sheehan played an outstanding game for McElwain, garnering seven of their points; while Evelyn Laning chalked up 14 for the victors.

In their previous play-off game, Leonides trounced League II, Kappa Kappa Gamma, 47-22. In the absence of their high scorer, Ginny Miller (who scored 35 points in a previous game), they were obviously outclassed.

Simmons Smashes
In the other half of the semi-finals, Simmons smashed Atherton 52-19. After edging out Gamma Phi Beta in the quarter finals, the Athertonians appeared rather feeble when faced by the mighty Simonites. Pat Siegal, Saya Silverman, Barb Cochran, and Louise Shepherd set the scoring pace for Simmons.
