

Bedenk Changes Lineup For Tilt With Dickinson

A few changes in the starting lineup will be made this afternoon when State's batsmen meet Dickinson at Beaver Field. Game time is 4 o'clock.

Bill Everson will take the mound for the Lions in quest of his second win of the season against no losses.

Carman Troisi will replace Chris Tonery at short and Bill Ondick will remain in left field replacing Hen. Albright.

Tonery was injured in an automobile accident Sunday night when the car he was driving hit a trailer truck. He jammed his kneecap against the steering wheel. Albright is out for the rest of the season. The speedy picketman broke a small bone in his foot while sliding in practice last week.

Order Changed

The Nittany batting order will be shifted to accommodate these changes. Harry Little, whose homer was the winning margin in the first game of Saturday's doubleheader with Syracuse, will move into the number two spot, formerly held by Tonery. Troisi will take over Little's number eight position.

The Lions will be seeking win number 10 against five defeats. Of the nine wins already gathered in, Al Tkac, who is out with an injured back, has logged three, Bill Bair three, Merle Gunnett one, Jimmie Masticola one and Everson one.

Three losses have been charged

Cub Stickmen Seek First Win

Penn State's JV lacrosse men will go after their first win of the season this afternoon when they take on Harrisburg Center on the golf course practice field. The game is scheduled for 4 o'clock.

Coach John McHugh's Cubs dropped their only start this season to Kenyon College, 14-3.

"If the boys play like they've been playing in practice, I don't think they'll have much trouble with Harrisburg," McHugh said.

Two high-scoring tilts highlighted Friday's play in the fraternity section of intramural softball.

Phi Delta Theta and Alpha Sigma Phi entered the second flight by grinding out 18-5 and 18-8 victories over Zeta Beta Tau and Phi Epsilon Pi respectively. Alpha Chi Sigma took the other fraternity fray from Alpha Chi Rho, 5-3.

On the independent side of the ledger Penn Haven was handed a 9-0 forfeit win from Section 10.

Three of Friday night's IM soccer games ended with the same 1-0 score, and the other with a 2-1 score to round out an evening of close games.

Tau Kappa Epsilon eked out an overtime win over Delta Tau Delta with a corner kick; Sigma Phi Epsilon edged Phi Sigma Kappa on Keith Grant's goal; and Sigma Nu dropped Sigma Alpha Epsilon with William Kirk scoring the goal.

Louis Selected To Play In North-South Contest

Penn State lacrosse co-captain Bob Louis has been named to the North team for the annual North-South All Star Lacrosse game to be played June 9 at College Park, Md.

The contest will feature the cream of the crop in lacrosse with the best college players in the East being represented.

The husky midfielder follows in the footsteps of Dean Kissel, Jack Finley and Rodger Nestor, Lion stick stars who played in the classic last year.

At the moment, the Philadelphia senior is the leading Lion scorer with nine goals to his credit.

The North team will be coached this year by Tom Dent, Dart-

mouth; Ross Smith, Cornell; and Dave Dockham, Lehigh. Last year, Nittany coach Nick Thiel was at the helm of the Yankees.

Masterminding the South squad will be Ferris Thomsen, Penn; Bill Darden, North Carolina; and Milt Roberts, Delaware.

The game is strictly a senior contest. Only 21 players are picked for each squad, and only four may be selected from one college.

On Bigness

We are today a much larger country than we were short years ago. Comparing 1930 with 1948, Federal government expenditures have grown from \$3.6 billion to \$40 billion. National income has grown from \$75 billion to \$226 billion.

Is small business holding its own with big business in this growth? Or being driven from the American scene, concentrating business into a few hands?

In 1900, there were 15 firms for each 1000 people. Today there are 18. (Apparently small business is not losing ground.) The average firm has the same number of employees as at the beginning of the century.

According to a survey by the Federal Reserve Board covering approximately 2000 concerns, during the war, the small and medium-sized firms in total increased their profits, assets and net worth faster than did large con-

cerns. In 1948; there were in operation one-third more business units than in 1944.

Can new businesses crowd in and climb to the top? In 1935, to take the electrical business as an example; only 153 companies did over \$500,000 business. By 1947; there were over 342 companies with sales in that higher bracket

General Electric, in spite of its growth during the past 20 years; has only been able to keep pace with the growth of industry and of the country. We estimate that our percentage of production in the electrical industry was about 23% in 1930, 25% in 1940, and is today approximately 24%.

It is the job of all business and all industry to supply the ever-expanding needs of people. Big jobs require big tools. No company and no industry in the American economy is yet big enough to bring enough goods to enough people.
