WASHINGTON.—Sen. Joseph McCarthy claims he has photostats of Civil Service Commission loyalty reports which he says will support his charges against far East expert Owen Lattimore.

for the history seminar. Any student or faculty member may contribute. The political science department will make a group contribution. The fund committee includes Dr. Kent Forster, Dr. Alfred G. Pundt, and Dr. Joseph G. Rayback.

The Liberal Arts Planning Committee has sent a letter of sympathy to Dr. Selsam's family. Dr. Selsam, who came to the College as professor of history in 1936, was appointed department head in 1948.

He was born in Emigsville on Sept. 29, 1898. He received his degree of bachelor of arts at Franklin and Marshall College, and his master of arts and doctor of philosophy degrees at Princeton University.

After serving from 1925 to 1928 as instructor of history and political science at Franklin and Marshall, Dr. Selsam spent 12 years in national and international government work. He became manager of the League of Nations Publications Sales Office in 1928, served as director for the Civil Works Administration Survey of Historical Source Material in 1934, and as deputy director of the Pennsylvania National Youth Administration in 1935-36.

Dr. Selsam is survived by his wife, Georgia; two married daughters; a grandchild; two brothers, and a sister.

McCarthy's attack was made in a speech to a national convention of the Catholic Press Association of the U.S.
